Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

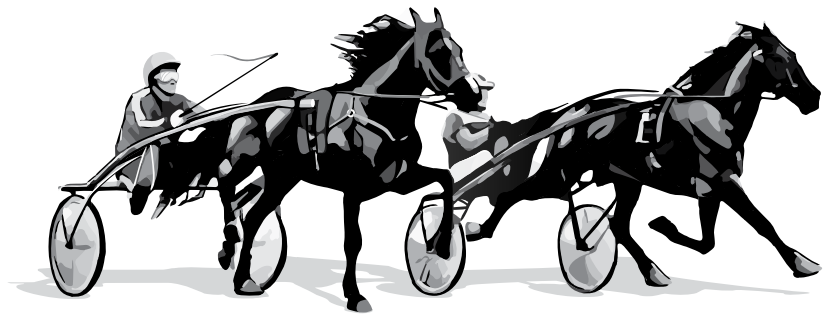

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 SHADOW OF AN ANGEL moved into trainer Dave Menary's barn prior to his first local start here on September 6th, and nothing went right in that mile where this gelding broke before the start and was refunded for failing to make it to the fair start pole. After requalifying, he won well racing at the lowest conditioned level. Since then, he has strung together two more wins, one more impressive than the other. Last week's first-over win at tonight's class level represented a new lifetime best of 1:49 3/5. He beat six of the nine horses he faces in here tonight, and he will likely be a big favorite here to take a fourth straight win as we kick off the \$75,000 guaranteed early Pick 5.

#3 LARRY KARR prior to last week's mile had raced only twice at Mohawk Park since early May, and he was very good in both of those miles. Three starts back, he dropped to the bottom conditioned level and after making an early move to the front, he raced his rivals off their hooves. Then two starts back, he sat in while the race favorite carved out some big fractions, and he made it a race in deep stretch. All of that added up to him getting bet down to 3 to 2 favorite last week when facing Shadow Of An Angel, and it turned out the wrong horse was favored. He still raced well to get second, and more of the same is likely here.

#6 LAMBORGHINI LOU raced well all three times that he raced at this level, jogging three starts back, then finishing third in two straight miles, including last week where he motored late to get third behind the top two picks in this race. He draws best here, but he will still likely be closing from mid pack with some fast leavers lined up to his outside. He can be part of the Tri again.

#10 UNCLE SHANK A got needed class relief last week after fading from first to last in his most previous start, and as expected, he was sent forward leaving the gate. He led to the stretch, but he couldn't fend off the first-over pressure being applied by Shadow Of An Angel. His speed always makes him a threat, but I don't see him getting more than a small share tonight.

BEST BET: SHADOW OF AN ANGEL

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 STORMONT BEAUTIFUL started to hit her best stride nine starts back when she closed in 26 3/5 to take her first win of the season racing in a decent non-winners of \$12,000 last four field. Since then, she took another win in that same class in late August before getting forced into the top class where she faced older male killers Logan Park and Dame Good Time. She gets into a race restricted to fillies and mares now, and this is a substantial drop in class. She stands out in this field, and she will likely get driven more aggressively than has been typical for her. She should prove to be tough to beat in this field.

#1 I'LL HAVE THE RED can be a bit inconsistent because of her periodic gait issues, but she has had a good season, taking two Grand Circuit wins and two other victories from 15 starts while earning close to \$120,000. She comes off a nice front end win in a decent field, and she will likely look to control this race from the outset. If she gets left alone and is allowed to take a breather or two, she might be tough to catch in here.

#6 DAFFY HANOVER is on a good roll right now having taken a win and four other shares in her past six starts, and she has shown herself to be versatile in that stretch of races. It is expected that she will get sent forward starting from the best post tonight. She should be able to secure a spot racing near the front tonight, and she should stick around for a share.

#7 FAITH STEP has been racing well recently in open company, using her good late speed to pass rivals and get frequent shares. She's behind the eight ball a bit here drawing the widest post in this field of seven, but she was probably going to race from the back anyway. I see her passing some of these late to land in the bottom of the Tri or Super.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 YANKEE BOOST is having a decent sophomore season where he has taken three wins, and three other Exacta finishes from 10 starts while earning more than \$81,000. This son of Walner exits the Grade 1 Canadian Trotting Classic where he was in a bit over his head, but he tried hard and ended up getting beaten by only five lengths. He races against a few older horses in here, but this looks like a good spot for him, and I would expect pilot Doug McNair to send him forward leaving the gate here. He gets top billing to start up tonight's early Pick 4.

#5 P L ROBERT G raced well three starts in a row here when he sat trips then made late moves. Then two starts back, he was sent to the front, and it didn't work out as well as he faded to seventh in the stretch. His last start where he drew wide and raced from the back is a toss for me. He gets one of the best posts here in a field where he appears to fit well, and he should get put into this race at the start and look for a following trip. I can see him being an Exacta factor in this spot.

#2 STONEBRIDGE WINGS was a good sires stakes performer this year having won four times while taking five slices from 13 starts while earning more than \$87,000. He raced well in the \$100,000 Grassroots Final to get third in his last start. The winner of that race produced a huge first-over effort, and he was simply too good. This gelding is sharp and consistent, and he should get another share here.

#1 TROUBLE WITH NAMES raced well in the \$100,000 Grassroots Final, and he was unlucky in defeat in that race. He managed to clear to the front from post 9, and from there he ended up riding the pocket to the lane. He was live with trot, but he never fully got clearance until very deep in the lane. He closed gamely, but it was too late. I wouldn't be surprised if he betters this prediction.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 CAUGHTINALANDSLIDE took some action last weekend got bet down to 5 to 2 because of his good effort racing off the Paul Court claim two weeks ago when he finished a close fourth and paced home in 26 4/5. That night he closed from far back and he never really looked dangerous until the final sixteenth where he kicked it into another gear. He was still gaining when the wire hit. Last week, he moved from sixth at the half and two rivals in front of him also pulled. That cover didn't advance, and neither did he, but he did find his best gear in deep stretch, and he paced strongly to the wire. He gets into a much easier spot here and the leading driver sticks. I think he will get a more aggressive steer in here. He is the clear top pick to start up tonight's 20-cent Pick 6.

#9 THRILLING TIMES dropped and popped as a 1 to 5 favorite in his last start at Flamboro Downs, and while he probably didn't beat much that night, I like that he controlled the race on the engine. There doesn't appear to be a ton of early speed in this field, and that makes this veteran gelding worth a look in here.

#7 JIMMY WHISPERS raced okay here two starts back in a \$20,000 conditioned claimer although he missed a cheque. Then he went to Flamboro Downs and raced even better when he closed for second. He took his first win of the season five starts back at Grand River, but he got a perfect trip that night, and I don't see him getting that same trip in here. He has recorded only two wins from 58 starts over the past two seasons, but he has 24 slices. He is probably a good one to use underneath tonight.

#4 BAYFIELD BEACH fits okay in here and he almost surely will show speed as has been typical with him for most of his career. He can get a good trip in this spot, and he is another one that should be able to get a share.

Race 5 Selections

#1 STABLE GENIUS got on a roll here in August and September, winning four straight while he climbed the class ladder. He seemed to meet his class limit two starts back when racing in a \$60,000 optional claimer. He dropped back down last time and raced well on the lead in a fast race; he just got picked off by a relentless closer that trotted a 27-flat closing quarter to get past him. Pilot McNair keeps the drive, and he has clicked at a 47% strike rate from 59 drives for trainer Dace Menary over the past calendar year for a flat bet profit of 8%. This gelding very likely ill be the one to catch again here tonight.

#2 ROYALTY BEER is an amazing animal that has taken 43 wins from 132 starts and 47 slices while earning more than \$500,000 and he has done it the hard way, racing on the engine for the majority of the career grinding out earnings mostly racing at B tracks. He tried hard last week, but he was perhaps in too tough there. He drops and he has a good chance to get a pocket ride following Stable Genius most of the way here. He would need to find more late speed to get past Stable Genius, but I could see him completing the Exacta.

#6 WILLOWTIME dropped and looked to pop last week, and he made a middle power move to the top, opened up a lead, then couldn't seal the deal. He draws best now, but he faces tougher tonight. I think he will deploy stalking tactics this time considering the two speed horses lined up on the inside of the gate. I don't see him as a win threat, but he should be able to get a piece of this.

#7 FLANAGAN SUNSHINE has been right there in three of his last four starts, especially his last mile where he fired home in 26 4/5 to win as a 7 to 1 shot on the class rise. He jumps up in class again tonight, but he is sharp enough that he can probably work his way into the bottom of the exotics tonight.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 OUT THE WINDOW was racing okay here in a Pop Up series in August, then he had three starts in a row where he was just in too tough. He gets needed class relief here and he draws the best post. He also keeps the leading driver. Expecting that he is going to get sent forward leaving the gate tonight, he gets a slight nod to start up tonight's late Pick 5, although I wouldn't think he will go off at his 10 to 1 morning line price.

#5 FOR JULY is the other class dropper in here that merits a close look for use on late Pick 5 tickets. Three starts back, he was a big winner racing off a qualifier and he raced first up and drove away from his rivals that night. He wasn't as good in his last two starts, but he can turn his form back around here on the class drop providing he stays flat this time.

#1 TOP MAST raced decently in this class last week when you consider that he was making his first start since December of last year. He is certainly classy enough for these when he is on his game when you consider that only nine starts ago, he was finishing second behind Osceola in a Preferred 2 at this track. He is another one that I would consider for the late Pick 5 in this second start back.

#8 MISTER MAGIC had an incredible run earlier this season where he was finishing in the top four almost every week for a stretch of several months. He has since gone off form, but last week's mile gives a glimmer of hope that he might start to turn in back around soon. He flashed big speed from the worst post and cleared to the front before tiring and finishing out of the money, and that early speed can be a sign of pending improvement. He gets a better post here and he is worth a look at a big price in a field where there are no locks.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 HEAVENS LIL DRAGON came into her mile three starts back having taken only 2 wins in her first 30 starts, and her two wins came at the B tracks, but she did race well in defeat here on September 3rd. After sitting a pocket trip to the top of the stretch, she burst through along the pylons and took a clear lead. She was her rival who came flying home in 27 2/5. This mare finished a clear second that night, then she wasn't as good in her next start, but that mile three starts back was a different story. She made front early and let one go, then she motored in the final eighth of a mile to chase down the 3 to 2 favorite and take a new lifetime mark of 1:52 3/5. She unsurprisingly got bet down to 4 to 5 favorite coming off that mile, but she simply went too fast, too soon two starts back and it softened her up for rival Meilleur Fromage, who chased her down. Last week, she raced well on the lead again, but she got picked off by a pocket sitter that she does not have to face here tonight. She gets top call in this opening leg of tonight's late Pick 4.

#8 ACEFORTYFOUR DAISY is the mare that finished second to Heavens Lil Dragon on September 21st and she raced well on the engine that night. She wasn't very good in her next start racing at Flamboro Downs, now she returns to the big track, and gets Tyler Borth in the bike. Expecting that she will get sent forward leaving the gate tonight, I see her as an Exacta factor.

#3 MEILLEUR FROMAGE was claimed seven starts back by Jamie Copley out of the second leg of a Popup series, and she raced reasonably well on the engine for him in Leg 3 when she led to the stretch before dead-heating for fourth. She was used hard in the final in some swift fractions, so it wasn't a big surprise to see her back up late. She got a much better trip four starts back, and she found room at a critical time and rallied for an upset win. Then two starts back, she got another good trip, and she chased down the top pick in here. She wasn't as good last week when finishing third. I'll use her underneath tonight.

#6 AK BLACK BADGER will likely get positioned close to the front here starting from the best post. She can stick around for a share.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 MAJOR VELOCITY was a strong winner here five starts back in 1:52-flat, and that victory moved him up to the top class where he tackled the likes of Logan Park, Dame Good Time, and Emoticon Legacy, any of whom would be 1 to 5 in this field. He got cheques in all four of those starts and gave Logan Park a scare here on September 5th. This looks like a much easier spot for him tonight, and he should get an aggressive steer on the class drop. I think he will get singled on many late multi-race tickets.

#8 GAINES HANOVER was winning for only the second time this season in his 19th start last week, but he was impressive in victory that night, laying down some big fractions and holding sway in 1:51 3/5. That was some serious speed he showed that night, and if he is now in peak form, he could give Major Velocity a race here. I would think that he is getting sent forward leaving the gate again tonight.

#5 NEW RULES dropped and crushed now he steps back up in class here. He has won as high as the Preferred level here in 2025, so when he is on his game, he certainly isn't outclassed in here. The McNair/Menary combo continues to win at a high rate. I prefer to use this one underneath, but on his very best day, he can be right there with these.

#7 MR BLUEBIRD dropped and jogged last week, and he paid a good price considering the class relief that he was getting. That was his fourth win of the season versus 16 slices that he has taken in 35 races. He faces considerably tougher tonight and he is one that I would look at for the bottom of the Tri or Super in this spot.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 TITANIC HANOVER was claimed five starts back and he was elevated to tonight's class for his next start and he got bet down to even money favorite. He couldn't get the job done that night, but that was a fast mile, and he was a clear second. He was protected in his next start, and he was too far back to make any kind of impact. He dropped back to tonight's claiming level two starts back, and he got Louis-Phillipe Roy back in the bike. With a claim entered, he was predictably sent on a speed mission, and he converted while lowering his lifetime mark. He didn't get the trip he needed last week, but he was re-claimed by his previous connections now he draws the best post. He will surely be looking to go right down the road tonight.

#5 TELLIT RUSS TELLIT is having a terrific season so far having won 13 times with eight seconds and seven thirds, good for close to \$77,000 in earnings. He was live here two starts back, but he spent most of the stretch drive waiting for clearance. He eventually found a lane between rivals, then dove to the inside of leader Titanic Hanover, and he closed some ground, but it was too late. late Pick 5. He raced well in defeat again last week, and he has a good chance to get a pocket trip following the top pick in here. That makes him a threat.

#4 MACH IMPACT raced well two starts in a row on the engine, now he loses pilot Roy to the top pick here and he lands in a spot where he will likely have to contend with other leavers. I see him sitting a trip and taking a share tonight.

#3 IDIDITMYSHUI dropped. Popped, and went off at 1 to 9 while getting the job done by a half length. He faces much tougher in here, and he is one that I see getting a small share tonight.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 THE BEAR A CUDA made a big third quarter move three starts back, opened up a big lead, then sailed to his third win of the season. He then stepped up one level, and he was even better that night starting from the best post. He took control at the start, then he kept improving his position, eventually blowing the field away while lowering his lifetime mark. He raced from the back last week, and I thought he was okay closing off cover and trotting home in 27 4/5 to get up for fourth. He draws much better here, and he has an improved chance of getting the lead at the start or finding the pocket. I'll stick with him here at what should be a square price.

#5 PASSARINO has won a third of his starts this season, taking seven victories from 21 tries, and his 1:52 1/5 season's best time certainly would make him a serious contender here if he could come close to replicating that effort. He comes into tonight's race off two solid qualifiers, and he draws one of the best posts so it seems likely that aggressive teamster Louis-Phillipe Roy will send him forward leaving the gate here. He is another price possibility.

#6 SAFE CONDUCT is the big question mark in here. His quality is unquestioned. The big concern is whether or not he will stay flat after dropping down to this class, getting bet down to 1 to 9, and breaking stride before the start and getting distanced. To his credit, the last five times he broke in a race, he stayed flat in his next start. He is the obvious class of this field, but I'm not willing to take a short price here.

#7 NASEY has found his best form in his past couple of starts taking a win and a second racing close to the front. He will likely be able to work out another good trip here and get a share.

#9 RICKY RESOLVE rarely misses the top five and he will likely deploy a closing approach here starting from a wide post and pass some rivals late. He is one to consider for the bottom of the exotics.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2026 earnings
3 year olds	50%	25% on 2026 earnings 50% on 2025 earnings
4 year olds	25%	25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select 2 finishers in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exakta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
