Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Campbellville. The Woodbine Mohawk Park Racetrack is located within the traditional Lands of the Mississaugas of the Credit of the Anishinaabek Peoples and the Haudenosaunee on whose traditional territory we are meeting. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Mohawk, our namesake, is one of the Haudenosaunee Nations. Kanyen'keha:ka (Mohawk) meaning "the People of the Flint".

Woodbine Mohawk Park is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 ANGOSTURA HANOVER was in the midst of an excellent 2026 season when she got sick in the spring. She had taken wins in six of her first 12 starts while adding three slices and earning more than \$143,000. She won at the Fillies and Mares Open level five times in seven starts from mid February to mid April. I like that she qualified three times in 13 days preparing for this fall return to action. She has raced off a qualifier three times in her career, and while she didn't win on any of those occasions, she didn't race poorly, either. She gets Jody Jamieson in the bike for this return race, and I'll give her the nod to start up tonight's \$75,000 guaranteed Pick 5.

#6 WISE PROFESSOR takes a big class drop here and she draws the magic six-hole, so it seems very likely that she will get sent forward leaving the gate tonight by pilot Daryl Thiessen. She was a winner last time she raced at a class similar to tonight's and in that mile, she was driven aggressively and she worked out the winning pocket trip. I don't see her closing anywhere close to her 10 to 1 morning line quote in here, and she is one that I wouldn't leave off early Pick 5 tickets.

#3 MARGOSGOTTHECARGO didn't start her five-year-old campaign until mid September, but she has been terrific. Consider: in her four starts this year, she paced four of the five fastest miles of her career, including a 1:50-flat lifetime best score three starts back. She will be passing mares late in this mile, and she is capable of beating them all if all the cards fall her way.

#1 TELLS ON A ROLL sat then rallied two starts back when a leader was cutting some wild fractions, and she had no problem chasing that leader down in a mile where she finished ahead of Margosgotthecargo, who rallied late. She lowered her lifetime mark to 1:48 2/5 that night, then she stepped up to the top class last time and the result was quite different. I wonder if that huge mile two starts back emptied the tank at least a bit, and she is one that I will try to beat here as the 3 to 1 morning line favorite.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 JUSTFORYOUKNOW is a \$30,000 London Classic Sale buy that makes his pari-mutuel debut here coming off a solid qualifying effort here on October 9th. In that mile, he was unhurried early, racing last of seven through the opening fractions and he made a move to the outside with about 5/16ths of a mile to go. He followed cover, then he dove to the inside in the stretch, and he closed willingly to get up for fourth. He was finding his best gear when the wire hit. This Bettors Delight gelding is a half brother to two six-time winners, and driver Travis Cullen chose him over the #6 in here who won his last start. I'll give him the nod here at first asking expecting that pilot Travis Cullen will give him a more aggressive steer in this spot.

#1 JETT OUT EARLY is one of three winners in here, and he holds the co-fastest mark. He comes into tonight's race off a solid effort in defeat, and that mile stamps him as one of the main contenders in here. Starting from the middle of the gate, he blasted off for the front, and he was the first leader heading into the first turn. He ended up getting shuffled to third around the final turn, then he made a move between horses in close quarters in mid stretch, and he got up for second behind a horse who worked out a nice pocket trip. With his good gate speed, he should be able to get away well starting from the rail tonight, and he should be right there again.

#8 COLD CREEK NACHO is a gelding that showed improvement three starts back, and as a result was expected to do well here on September 28th. He had the misfortune of coming up against a debutant monster that paced a 1:50 4/5 mile that ended with a 26 1/5 final quarter on that night, so it was no surprise that this gelding never got untracked. He drew widest last week, and he closed to get a slice. He finishes fast, he only need be put into the race early to have a shot here tonight.

#5 TAILWIND SEELSTER raced four times, and he dropped seven seconds in less than a month. He comes off a decent closing effort where he got up to take the smallest cheque, and I could see him sneaking into the bottom of the Tri or Super tonight if he can lay just a bit closer to the front.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 BEACH WIGGLE is having a tremendous season where she has taken 11 wins from her first 30 starts while finished second or third on 12 other occasions. She entered her last mile off a good effort the week before where she sat to the lane, looked for room, then closed between rivals to get up for third. She drew best last time, and she was hammered down to 2 to 5 favorite. She managed to work out a perfect trip, getting the lead along the pylons in the stretch, but she was chased down by a rival that also got a nice trip, and that mare rallied from second over to chase this one down late. She gets post position on that rival tonight with that one getting the 10-hole, and she gets top billing to start up tonight's early Pick 4.

#6 ONE LAST BET was claimed three starts back by Garry Merner and in her first start following that claim she chased 1 to 9 shot Sunshine Magic around the track at London. She did much better in her next start, finishing second behind a big favorite after racing first-over. She gets a look here moving to the best post from where she will likely get put into the race at the start.

#10 LITTLE MOMENTS was moving well at the end of her penultimate mile and that identified her as one of the main contenders last week. Starting from the inside, she followed some decent cover to the top of the stretch then tipped wide and found her best stride in the drive to the wire to get up and shade Beach Wiggle. She draws worst here and she has her work cut out considering that post 10 has produced only 2.3% winners from 394 starters so far on the pace in 2026. Still, she is sharp and dangerous, and the higher her price goes here, the more viable she becomes as a possible win bet.

#4 WEDNESDAYS CHILD got a needed class drop last week to the class level where she almost won four starts back, but she drew the rail and she ended up traveling first-over and she tired late after providing winning cover for Little Moments. She should be able to find some cover tonight, and I could see her land

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 POSEIDON SEELSTER made his first start back here following a three month rest on October 3rd, and he drew a wide post that night and he got raced conservatively. He paced a 54-flat back half that night, finished off with a 26 2/5 kicker. He stepped up in class a week later, but he wasn't ready to pace a 1:48 mile to compete with the winner. He did go in 1:49 flat, though, now he gets a class drop and a middle of the gate post to work from. He should get a much more aggressive steer tonight, and he gets top billing to start up tonight's 20-cent Pick 6 wager.

#2 AYEAYE CAPTAIN DEO won a leg of the Graduate Series here in May in 1:47 3/5 which at that time was the fastest mile in Canada this year. He hasn't won a race since, and it was thought that he had a good chance to break that streak last week when he took a big class drop. He added Lasix, and he was sent off as the 6 to 5 favorite. He made a move into contention on the final turn, then he hung in the stretch. He gets to take another class drop here, and he could improve racing on Lasix for the second time, but I wouldn't take a short price.

#1 RBSTENACIOUS was really good in both of his last two starts, firing from the back to get second in each of those miles. He drew wide in both of those miles, now he gets the rail which in itself isn't usually a picnic, but I could see him getting away fifth or sixth. If he can do that and find a live helmet to follow, he could be the one in here. He merits a look for use on early multi-race tickets.

#4 STONEBRIDGE HELIOS raced tough first-over two starts back chasing home a 6 to 5 favorite that came right back to win again a week later. He was then raced aggressively last week as most horses are when they draw post six, and he never really got a breather. He eventually tired late to finish fifth. He can be an exotics factor here with a slightly less aggressive steer.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 MADRID A prior to her last start got post 10 for the second straight start and she was coming into that race on October 2nd having missed a start due to a transportation scratch. She was sent forward leaving the gate and she got a bit of a tough trip, and she was only able to pace home in 29-flat. She came back a week later and drew inside and she was correctly sent off as the even money favorite by the punters as once she took over command, she was never in any danger of getting beat. She fires back in the same class here tonight, and she faces some class droppers, but they are all lined up on the outside of the gate. I'll give her the nod to repeat.

#6 ALL MY WISHES raced well at tonight's class level two starts back when she closed for third, then she was even better last week closing from last to third at 46 to 1 when facing better racing one class higher. She should get plenty of attention moving from post eight to the six-hole while dropping back down to tonight's class level, and it makes sense to assume that she will get a much more aggressive steer. She is one that I wouldn't leave off early multi-race tickets.

#7 AVYANNA drops out of the same race as All My Wishes, and she was returning from a two month rest on that night. It wasn't surprising to see her get raced conservatively from the seven hole that night, now she will likely get sent forward starting from the same post facing easier having had a return start. She can be a threat in this spot tonight.

#4 PERFECTLY CHIC is another mare that drops and moves inside, and she finished in behind All My Wishes but ahead of Avyanna last week. She should get a better result here considering some of the factors that move in her favor, but she is stuck on one win still this year, and I prefer to use her underneath.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 SEEN HERE is now 3 for 3 since arriving here from the United States and moving into Dave Menary's barn. He moved up a couple of class levels and took a new lifetime mark two starts back, then he stepped up again last week, and he was even more impressive in victory. He raced first-over in that mile, and he advance into second by the time they reached the stretch. Just when it looked like the leader had opened up an insurmountable lead, this gelding started a relentless rally, and he got up right on the line. He steps up again here, but he is razor sharp and I will give him the nod to score the threepeat to start off tonight's middle Pick 5.

#7 NUCLEAR dropped and popped as the even money favorite two weeks ago, then he stepped up to tonight's class level again last week, and he produced a nice closing effort from far back to get up for third behind Seen Here. He has been firing home quickly for several weeks in a row, and he could take this if he gets out into a live flow and is a bit closer when they turn for home.

#1 HELLUVA N crushed and took a new lifetime mark racing one class lower than tonight's two starts back, then he tried the big boys in a \$75,000 Free For All and he wasn't a contender in there. He drops to a more acceptable level tonight, but he comes off a sick scratch, he missed some time, and he draws the rail. His best puts him right there versus these, but I'm inclined to play to beat him as the 3 to 1 morning line favorite here.

#2 PACINO HANOVER comes off a solid effort where he came charging late to get up for second, but he moves up to face tougher now. He is an honest trier that brings a good effort every time he hits the track, and he will be passing some rivals again tonight. He should be part of the Tri or Super.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 R J RINGO gets a needed class drop here and he lands in a spot where he should be looking to control things on the front end. He tried that approach here five starts back when he drew post six, and just when it looked like he had the race sewn up in the lane, favored Pacino Hanover rocketed off cover and flew past him in deep stretch. He draws okay here, and there is a good chance that he will go right down the road in here.

#1 MOMAS SON BYRNE could be the fly in R J Ringo's ointment here. He dropped to the bottom conditioned level last week and he got bet down to 2 to 5 despite drawing the worst post. It took him until past the half to gain control, and he came under immediate assault. He battled tooth and nail and held the lead until late in the mile before finally getting passed by three rivals all the while racing with a broken head pole dangling on his inside. He gets the rail here, and that's okay because he won't get parked for the first half of this mile. He is the other one to consider for middle Pick 5 tickets.

#2 SAUBLE ACE was decent in his return race considering that he had been off for close to 10 months. He closed mildly in that mile, and he figures to be much sharper with that race under his belt. He should be in the exotics mix tonight.

#8 ACEFORTYFOURAPOLLO shipped in from Kawartha Downs on October 12th, and the trainer handed the lines to Jody Jamieson, and the gelding took some action, getting bet down to 5 to 1. He got an aggressive steer, and he was right there at the wire facing \$20,000 conditioned claimers. He is in a bit tougher in here, but he will likely get put into the race leaving the gate and I could see him getting another share.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 MIRACULOUS DESBI N caught the eye four starts back when he made a nice closing move in deep stretch, then he stepped up in class and drew wide in his next start, and he was a non-factor. He dropped one level two starts back and he tried racing on the front, but he never got any breathers and he ended up fifth. He once again was a nonfactor in his last start after starting from a wide post, but getting only two fifth place cheques in his last four starts allows him to take a big class drop tonight. He meets a field that he should handle here, and he gets top billing to start up tonight's late Pick 5.

#7 REMEMBER THE ALAMO is the other class dropper in here that figures to contend for the lead and he gets a driver change to Tyler Borth in this spot. He has obvious class when you consider that he has earned close to \$300,000 in 2026-27. I could see him and Miraculous Desbi N racing 1-2 to the to head of the lane then decide this race in the drive to the wire.

#3 LONGSHOT PANIC is racing well here having taken a win and a second in his past four starts and he raced aggressively last time but he provided cover for the eventual winner that flew past him in deep stretch. I don't see him beating both of the top two picks in here, but he should contend for a share.

#10 SCAMMER typically races well at this level, and he lowered his lifetime mark to 1:50-flat three starts back when he got a perfect second-over trip. He raced at this level again last time, and he made a wide move late to get up for fourth in a good effort. He has his work cut out here starting from the widest post, but he would be racing from behind anyway. He might sneak into the exotics at a price.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 ALCHEMY HANOVER raced well in defeat four starts back when he rolled up wide and closed to finish a close fourth, but still he was overlooked in his next start when he closed as an 8 to 1 shot despite coming in off that good mile. He was excellent that night where he moved to the outside at the half then paced right past even money favorite Lou Who for a decisive win to lower his lifetime mark to 1:51 1/5. He then doubled up at even money before stepping up to non-winners of three last week. While he was second best to 2 to 5 favorite Evans Legacy that he once again faces tonight, he raced first-over for more than half a mile and he kept coming. I could see him turning the tables in this opening leg of the late Pick 4 if he can work out a slightly easier trip.

#5 EVANS LEGACY entered last week's mile coming off a nice effort racing at this non-winners of three level where he made front early, then accepted the pocket and fired home in 26 2/5 to fall just short. In that mile, he got a clear run along the pylons in the stretch, and he sprinted hard with the 3 to 5 favorite and fell just short. Off that good mile, he got bet down to 2 to 5 favorite last week, and he used the six-hole to full advantage to take a front end score. He is the obvious one to beat again here.

#7 HURRIKANELOUIEXIII is an interesting shipper here that won his last start at The Meadowlands in September as a 48 to 1 bomb. He qualified well here eight days ago, winning in 1:53-flat racing over a track that was assigned a one second variant. He had a trainer in the bike that morning, now he gets catch driver Mark Macdonald. If there is a horse in here that might beat both of the top two picks, it's probably this gelding.

#1 DR DAVE dropped out of the \$350,000 Gold Superfinal last week and he got a good following trip to the top of the stretch. He then popped out and angled three wide to set his sights on Alchemy Hanover and Evans Legacy, and while he did gain some ground on that duo, he couldn't pass either of them. He should get a similar following trip here, and he can get another slice.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 FUSION dropped and popped two starts back when raced aggressively, and he lowered his lifetime mark to 1:48 1/5 that night. Still, he was let go at 17 to 1 when he stepped up to the Open level last week, and he made a move to the front in the second quarter, then he gamely repelled favored Crack Shot down the lane. He is obviously in peak form, and I would argue that he faces an easier field tonight with Crack Shot gone. He draws well, and he no doubt will once again be the one to catch.

#7 DONT DROP THE BALL is the horse that finished closest to Fusion in his past two starts, having been beaten by only a head here two weeks ago in that 1:48 1/5 mile. He made a couple of moves in that mile, and he grinded first-over relentlessly, pacing a 26-flat final quarter. I don't mind the wide draw for him here in a seven-horse field. He is the one that will likely be the biggest threat to Fusion here.

#1 DUBLIN DASHER sat third to the final turn following Fusion and Crack Shot last week, and he inherited the pocket when it was vacated by Crack Shot turning for home. He was no match for either of those rivals, but he did hold off a rival to stay for third. He can get another good following trip here, and he should be able to work his way into the Tri or Super.

#2 ITS SATURDAY NIGHT raced decently against Fusion last week, closing between horses in the stretch to get fifth now he moves inside. He is unlikely to threaten for the win here, but I could see him laying closer to the front and finding his way into the bottom of the exotics.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 GOLDDIAMOND brought a perfect nine for nine record to the track three starts back, and he couldn't have found a worse time to break stride, racing in a \$65,000 stakes final. He missed a bit of time, then he shipped west and raced over the bigger Mohawk surface on October 5th. Unfortunately for him, he met a rival that jogged in his debut in 1:50 4/5, and that four-year-old came right back and win again in 1:50 3/5. This gelded son of Cattlewash raced well in defeat, then he drew a better post last week, and he was a predictable front end winner as the even money favorite. He moves inside here, but he looks good to repeat returning to the same class.

#8 RUN TO THE HILLS rolls in from Flamboro Downs having won three of his last four starts, the only blemish coming two starts back where he broke stride while making what looked like a decisive move out of the pocket around the last turn. If he stayed flat there, he would probably be riding a four-race win streak. His speed makes him dangerous.

#10 LOU WHO was an impressive winner here three starts back where he wired the field from the rail and lowered his lifetime best mark to 1:50 3/5 while beating non-winners of two. He stepped up for his next two starts and he came up against tough rival Alchemy Hanover, who won both of those miles. He looks like he is in a bit easier tonight, but he will obviously need to overcome post 10. He gets Jody Jamieson in the bike tonight, and he is worth a look at a price for late multi-race tickets.

#5 DENIMDAN DELIGHT had a nice summer racing on the B tracks where he took six wins. He brings some solid form with him from Kawartha Downs, and he moves into trainer Kyle Fellows barn tonight. He gets a good post to work from, and it is likely that teamster Nick Boyd will put him into play leaving the gate. This consistent gelding is worth a look for the exotics here.

#4 LIVINTHEBEACHLIFE found a good spot last week, and he was driven aggressively to score as the 8 to 5 second choice. He moves back up now, and this field looks quite a bit tougher than the one that he handled last week. I'll use him on the bottom here.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2026 earnings
3 year olds	50%		25% on 2026 earnings
			50% on 2025 earnings
4 year olds	25%		25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select 2 finishers in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exakta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca
