Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Campbellville. The Woodbine Mohawk Park Racetrack is located within the traditional Lands of the Mississaugas of the Credit of the Anishinaabek Peoples and the Haudenosaunee on whose traditional territory we are meeting. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Mohawk, our namesake, is one of the Haudenosaunee Nations. Kanyen'keha:ka (Mohawk) meaning "the People of the Flint".

Woodbine Mohawk Park is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 OSCEOLA gets a key class drop here after racing against tougher in his last four starts, and he almost surely will be looking for the lead tonight. One only need look five starts back to see what he can do when he is allowed to control the pace. On that night, he led all the way, and he beat a good field that included What About Elmo, who he also faces tonight. Assuming that he is going to clear to the front here, he should prove tough to beat on the class drop, and he gets top billing to kick off tonight's \$75,000 guaranteed early Pick 5.

#4 WHAT ABOUT ELMO has a similar profile as the top pick in that they drop out of the same race (where Elmo finished slightly ahead) and they both jogged when they met easier five starts back. This gelding has the gate speed to facilitate him landing in Osceola's pocket tonight. If he can indeed secure that spot and race in the pocket to the head of the lane, he will have a chance of chasing down the top pick. He is the second one that I would consider using in the early Pick 5.

#3 MONALISHI faced some tough company in many of her miles this year and she has taken only one win, but that victory came at this track three starts back where she beat a good field of male trotters and lowered her lifetime mark to 1:51 2/5. She came off a three month break last week, and raced in a field restricted to mares, and she raced okay in defeat. I think she will have her hands full with Osceola and What About Elmo in here, but she should be able to get a share.

#9 STORMONT BEAUTIFUL raced well in defeat in two mares races in her last two starts and she was aggressive at the start of those miles. Facing some males and starting from a wide post here, she will likely drop back and look to pass them all late. She is one of the best closers in this field, and she can work her way into the bottom of the exotics.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 STICKEMINLETHIMGO was really good here in August where he finished second in two straight starts then he won his next two, and he was exceptional here on August 15th. On that night, he shot straight to the front, cut a 25 3/5 opening quarter, then never looked back on his way to a lifetime best 1:49 1/5 score. Since then, he hasn't hit the board, but he did race a bit better last week. He gets a key class drop tonight, and that should wake him up. I'd be surprised if he doesn't get sent forward leaving the gate here starting from the widest post. If he clears to the front, he will likely prove hard to catch.

#5 TITANIC HANOVER was claimed six starts back and he was elevated in class for his next start and he got bet down to even money favorite. He couldn't get the job done that night, but that was a fast mile, and he was a clear second. He was protected in his next start, and he was too far back to make any kind of impact. He dropped in class three starts back, and he got Louis-Phillipe Roy back in the bike. With a claim entered, he was predictably sent on a speed mission, and he converted while lowering his lifetime mark. He didn't get the trip he needed in his next start on October 5th, but he got re-claimed by his previous connections, and he was a winner six nights later. He steps up now and he draws well but he might find the top pick too tough in here if that one brings close to his best tonight.

#6 FOREFATHER was a big winner here four starts back when everything fell his way. Since then, he has raced okay, now he drops into a claimer. He typically drops back and tries to pass most or all of the field, and it will be interesting to see how he will get driven from the six-hole here, especially if there are claims entered on him.

#7 CHICKEN N DICE is in the exotics mix in almost every start, and he will take very little action in this field. He could be a good one to use on the bottom of Tri and Super bets.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 NIGHT PHANTOM changed hands on September 15th and he shipped north, and he has raced four times here. Not much went right in the first three miles, but things went much better in his fourth start here last week. Facing a decent field, he was put on the point immediately, and he led to the final strides where he was eventually nailed by the even money favorite who was winning for the third straight time and fourth time in five starts. He lands in a good spot here, and a similar strategy will likely get him a win. He gets top billing to start up tonight's early Pick 4.

#4 GHOSTLY CASPER dropped to tonight's class level last week and he drew post 10, but despite the poor draw, he was bet down to even money favorite. He cleared to the front on the backstretch, got passed, then immediately re-moved to the front. He came under immediately assault, and he still managed to hold the lead to deep stretch before his earlier exertions caught up to him. That was a solid effort considering how that race played out, and he gets a much better post draw now. He would be no surprise here, and his price should be better.

#6 THE BEAR A CUDA raced first-over in two straight starts, and it didn't go well for him in either of those miles. He draws the best post here so he has some options, and it seems likely that he will look for a helmet to follow. If he can find a better trip tonight, he can hit the board.

#1 MYFRIENDJOSE stepped up to this class level last week, and he made front at the quarter then took a pocket trip, and he stuck around to finish fourth. He probably won't make front tonight, but I can see him getting a good following trip racing close to the lead. He is another one to consider for the bottom of the exotics.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 CRUNCH HANOVER was racing okay down south before he shipped north to Flamboro Downs for his last two starts, and he was decent in both of those miles, too, making late wide moves. He now draws the six-hole, and I think he gets sent forward here, using the best post to best advantage. I'll give him a slight nod to start up tonight's 20-cent Pick 6 in what appears to be a wide-open race.

#2 BAYFIELD BEACH raced okay in the slop here two starts back where he flashed early speed, gave up the lead at the half, then stuck around to finish third. He then traveled to Flamboro Downs, and he sat a nice trip and finished a distant second, but he was following home veteran 1 to 9 No Plan Intended that has now taken 15 wins this season from 32 starts. He will likely get sent looking for the lead again here tonight, and he stands a decent chance in this field.

#9 KEYSTONE DAKOTA is a four-time winner this season that shows a couple decent miles here at Mohawk Park in September where he finished on the edges. He also raced well first-over two starts back at Flamboro Downs where he was a close second to No Pan Intended. He should offer a square price in here, and he is another one that is worth a look for early multi-race tickets.

#1 DR JOE improved in both of his last two starts, culminating in a third place finish in his most recent mile where he made a wide late move. He has failed to land in the Exacta in any of his 14 starts this season, but that was the first time he hit the board, and I could see him landing in the bottom of the Tri or Super.

PURSE \$26000. 5 YEAR OLDS & YOUNGER, WINNERS OF 3 (FM 4) BUT NOT MORE THAN 7 (FM 8) OR \$80,000 (OS \$100,000) LIFETIME.

#5 STORMONT FRIEDBOY brought a 0 for 12 record to the track on September 24th, but it appeared that he had found a spot here where he could break his maiden as he dropped out of an OSS Grassroots event where he produced a decent closing effort to get fourth. He got an aggressive steer from Trevor Henry and this gelding's thirteenth try was lucky as he easily converted for his first win. Bob McClure then took over the lines for the gelding's next start, and he jogged again over non-winners of two. He steps up again, but he comes off a lifetime best score, and he draws well again. McClure has clicked at a 24% rate from 29 drives for trainer Kevin Benn in the past calendar year for a 12% flat bet profit. I'll give this surging gelding the nod here.

#1 DAFFY HANOVER has been racing well for several weeks, finishing in the money in all of her last five starts. She just took her fifth win of the season in her 35th start, and she worked out a good trip that night to beat a good field of mares. Her drawing the rail here doesn't bother me because she has shown herself to be versatile. She should be right there again tonight.

#8 GETTHEGREEN made a nice late move to score here three starts back, then he raced well again in his next two starts to hit the board in both miles. The problem for him was those miles were simply trotted too fast for him. He will be closing late again tonight, and it's unlikely that this race will get trotted in 1:52 and small change, so that puts him in the picture here.

#9 ILL HAVE THE RED just won at 4 to 5 in a mile where she beat Daffy Hanover, so she should be a contender in here by default. She then scratched sick and she has now missed three weeks. I don't have any doubt that she is good enough to win this race, but I would demand a price with her starting from an outside post considering the sickness and stale date.

SPOT PLAY: STORMONT FRIEDBOY

#3 WICKED EXPRESS dropped to the \$8,000 conditioned claiming level three starts back and he showed improvement that night, closing some ground late while pacing his own final quarter in 28-flat. He raced again four nights later and he attracted a claim, but he got hung the mile and he was well beaten. He moved into Kyle Fellows barn last week and he got Doug McNair in the bike. That trainer/driver combo has clicked for a 27% strike rate from 195 starts in the past calendar year, and they clicked with this gelding right away last week. He steps up into a claiming handicap from a conditioned claimer now, so he should offer a good price. I'll give him the nod to repeat in this opening leg of tonight's late Pick 5.

#8 YYC ON THE HORIZON dropped, popped, and took a new lifetime mark of 1:51 4/5 here two starts back, then he tried his luck at Flamboro Downs on Thursday night and he had no luck. He gets catch driver J R Plante back in the bike tonight which should be the key to him getting back in form. I expect an aggressive steer, and he should be in the mix tonight.

#4 FLYING ART A brought some good form in from the B tracks last week, and he appeared to be a speed threat in that spot. He blasted straight to the front leaving the gate, and he then sat the pocket once Wicked Express after that one assumed command. He showed some grit in the lane, digging in to make it close at the wire, and he has the look of another one that merits a look for the late Pick 5.

#1 RYLENTLESS got hot in August/September, winning three straight, now he missed the board in his last two starts, but I can see him going better in this spot. In his last mile, he was trying to advance late in a 27 3/5 final quarter, and that wasn't going to go great. Still, he paced his own final quarter in 28-flat, and that late speed can play well in this field. He should improve racing in this second start off the Shayne Barrington claim, and he one to consider for the bottom of the exotics at a price.

#7 HEAVENS LIL DRAGON came into her mile four starts back having taken only 2 wins in her first 30 starts, and her two wins came at the B tracks, but she did race well in defeat here on September 3rd. After sitting a pocket trip to the top of the stretch, she burst through along the pylons and took a clear lead. She was her rival who came flying home in 27 2/5. This mare finished a clear second that night, then she wasn't as good in her next start, but that mile four starts back was a different story. She made front early and let one go, then she motored in the final eighth of a mile to chase down the 3 to 2 favorite and take a new lifetime mark of 1:52 3/5. She unsurprisingly got bet down to 4 to 5 favorite coming off that mile, but she simply went too fast, too soon two starts back and it softened her up for rival Meilleur Fromage, who chased her down. In her next start, she raced well on the lead again, but she got picked off by a pocket sitter. Then in her last start, she herself got the pocket trip and prevailed. She looks good to score the repeat here.

#8 ACEFORTYFOUR DAISY is the mare that finished second to Heavens Lil Dragon on September 21st and she raced well on the engine that night. She wasn't very good in her next start racing at Flamboro Downs, then she bounced back and raced better on October 11th. She raced Thursday at Flamboro Downs so sharpness will be no issue here. She can be an Exacta factor.

#1 FOX VALLEY REBA started to turn her form around three starts back when she raced tough first-over and finished second at Flamboro Downs. She came back with a decent closing effort racing against some of these mares here, then she took her second win of the season in her last start in London. She can get a piece of this.

#4 MISS SOPHIA ROSE raced okay in two straight starts here to finish on the edges, and she will likely be passing some mares late again in this mile. She looks like one that is good to use on the bottom of Tri and Super bets in this spot.

#6 STORMONT SHANLYBOY two starts back raced terrific in the \$350,000 OSS Gold Superfinal where he showed early speed, gave up the lead at the half, took a shuffle, then got a seam in deep stretch and flew late to get second behind Strobe Lite. If he had another six feet of real estate, he was an upset winner. Entering this Harvest Series off that excellent mile, he got bet down to the minimum five cents on the dollar last week, and after he took over the lead in the second quarter, he left no doubt. He draws best for this \$100,000 Harvest Series Final, and he should prove very tough to beat here.

#1 STORMONT FAST BOY is the other winner of Leg 1 of this series, and he is having a nice sophomore season having taken three wins from seven starts while only missing the board once, and that came in his opening mile of the year when he was driven conservatively and closed for fourth. He was a Grassroots winner only three starts back and he was a good third in his penultimate start in a two move effort. He looked good closing for the win last week and it seems that Stormont Meadows and trainer Kevin Benn hold all the cards in here with the top two picks.

#3 CRUNCHINTHEODDS raced well first-over last week, but he was simply no match for Stormont Shanlyboy in the final quarter. Starting from the inside tonight, it seems likely that he will be able to find a live helmet to follow, and he should be able to work his way into the Tri.

#8 MIKE ME UP finished third behind the top pick in here in the Gold Superfinal, then he drew best for Leg 1 of this series, so it was no surprise to see him get bet down to 3 to 5 favorite. He got a decent trip on the lead, but he couldn't seal the deal. He will likely get positioned on or near the lead at the start again. He is one that I prefer to use on the bottom in here.

#6 LOGAN PARK is having another tremendous season, taking victories in nine of his first 15 starts while earning more than \$242,000. In his most recent start here, he sat perfectly pocketed to the stretch where he angled out and drove by for an easy win. He missed three weeks, and that is probably the only factor you might lean on here if you are trying to beat him tonight because this Open class seems to have come up a bit light. He probably goes right down the road at a very short price for his tenth win of the year.

#3 NEW RULES is interesting here because he has clearly reached peak form having won two straight and taken a new lifetime mark in his last start. He steps up to the top class now, but he has had some success here racing at the Open level in the past. This past January, he finished second in two straight starts racing at this level. He is the one that I will side with to complete the Exacta.

#7 HASTY BID is having a good 2026 season considering that he has earned twice as much as he did in 2025 in close to the same number of starts. Most recently, he flashed early speed then he spent most of the mile following Logan Park after there were a couple of lead changes. He couldn't gain on that rival in the stretch, and he will likely face the same uphill battle again tonight. Still, he should be able to get positioned close to the front again here and he can get another share.

#4 MAJOR VELOCITY has two wins this year, but he also finished in the Exacta eight other times. He figures to get a good following trip here racing close to the front, and while I don't see him as a threat to Logan Park for the win, he should be part of the Tri or Super.

#9 ODDS ON BULLFROG's starts prior to last week's mile identified him as a standout. Three starts back, he was an impressive winner of the Grassroots Final, and that victory qualified him for the \$350,000 Gold Superfinal racing against division leaders Redland Rocket Man and Beau Jangles. He raced terrific to get third, closing in 26-flat. As expected, he parlayed that strong effort into a dominant win here last week. I don't mind the wide draw for him here in this final; he can be the last one to clear. From there, he should lead the way to the wire.

#7 WINDOR is one that I thought raced well in defeat here last week, leaving for position then popping out around the last turn to engage the leading 3 to 5 favorite. He got past that rival and got picked off late. He is worth a look in here because he might be able to land in Odds On Bullfrog's pocket leading the gate. He is the other one in that I would consider using on late multi-race tickets.

#2 CHEESE DREAMS raced well last week, and although he was no match for Odds On Bullfrog, he did come on late for second. He hasn't missed the board one this year and having had only six starts, he comes into this Harvest Series Final fresh. He might be a good one to use underneath at a price.

#8 BARRACUDA HANOVER got a great trip last week, and he parlayed that into a nose win over Windor and a new lifetime mark of 1:50 1/5. He is sharp but he draws worse here and he is in a field where a few of them figure to be leaving hard. He will likely be too far back to threaten for the win, but he should be able to close for a share.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 ALL GAS NO BRAKES was right there two starts back racing at tonight's class level where he pulled first-over in the last turn and chased the leader home, but he fell a neck short in the end. He moved up in class last week and after making front early then giving up command, he tried another move and he finished only evenly at 23 to 1. He drops back down tonight and getting the magic six-hole certainly won't hurt his chances. He gets top billing in this finale.

#2 STABLE GENIUS got on a roll here in August and September, winning four straight while he climbed the class ladder. He seemed to meet his class limit two starts back when racing in a \$60,000 optional claimer. He dropped back down last time and raced well on the lead in a fast race; he just got picked off by a relentless closer that trotted a 27-flat closing quarter to get past him. He now missed some time after scratching sick, so beware taking a short price, but he is obviously a good fit in here. Pilot McNair keeps the drive, and he has clicked at a 45% strike rate from 59 drives for trainer Dave Menary over the past calendar year for a flat bet profit of 12%.

#1 PERFETTO is a classy millionaire that just keeps going, and his mile last week when coming off a three month break was decent. The last time he won a race was at this class level starting from the rail five starts back where he was sent off as the 7 to 5 favorite. The tote board may provide some clues here tonight.

#7 MASSTERCRAFT is interesting in here because he showed some late trot last time when coming off a five month break after scratching sick in May. At his best, this is a group he can handle, and he will likely get ignored here with a driver in the bike that isn't a Mohawk Park regular. He is a fresh horse that is worth a look as a potential separator on late multi-race tickets.

#4 LANDING ON TIME raced decently in his last two starts facing tougher where he closed for fourth in both miles. He gets a good draw tonight, and he might be able to lay a bit closer to the pace this time. He should be able to work his way into the exotics again.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2026 earnings
3 year olds	50%		25% on 2026 earnings
			50% on 2025 earnings
4 year olds	25%		25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select 2 finishers in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exakta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
