Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

1 Name of racetrack (choose from any track in the simulcast feeds)
2 Number of the race
3 Amount of your bet (e.g. $2)
4 Type of bet (see step 2)
5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, $2 to WIN on Horse #4

How to use a self-serve terminal:

1 Swipe your Cash Card/Insert Cash
2 Enter the initial PIN #1234 (then choose a new PIN)
3 Press/Tap the track you would like to bet: (defaults to current race)
4 Tap the Horse Number: **#4**
5 Press/Tap the Bet Type: **WIN**
6 Press/Tap the Bet Amount: **$2**
7 Press/Tap the Race Number: **Race #6**
8 Press Green **"Make BET"** button
9 Press/Tap the **"Finish with Receipt"** button
10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum $2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

1. Horse's number in the race
2. Horse's post position colour
3. Horse's colour, sex, age,sire (father), dam (mother), sire of the dam
4. Morning line odds
5. Horse's name
6. Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
7. Trainer information
8. Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
9. Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds
Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a $2 win prize
To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add $2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	$3.00	$6.00	$9.00	$12.00	$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember
WIN BETS on the **FAVOURITE** pay 32% of the time
PLACE BETS on the **FAVOURITE** pay 53% of the time
SHOW BETS on the **FAVOURITE** pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Race 1 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#3 MY ONLY SUNSHINE was given a four-month rest after tiring badly here on July 2nd, and she was blown out by Chantilly in her qualifier here on October 23rd. She did show her typical early speed in her return race here last Sunday night then she tired in the stretch. She probably needed that race, now she lands in a field that seems to be devoid of leavers. She also gets a key driver switch to Travis Cullen tonight and he drove this mare to all five of her wins this season. She was on the engine for four of those five miles, and she raced first-over in the other. She might be able to make front early and steal this race on the lead, and she gets top billing to start up tonight's $75,000 guaranteed early Pick 5.

#4 WINE DELIGHT came into her mile last week off a decent effort where she closed quickly at the end of her mile to get second at Flamboro Downs. She showed 16 top three finishes from 31 starts, but she was still sent off as a 40 to 1 longshot. She sat in to the far turn where she got room to get off the pylons. She swung out then moved widest at the top of the stretch, and under heavy Daryl Thiessen urging, she mowed down the leaders in an impressive effort. She won't be anywhere close to 40 to 1 at post time tonight, but she is in peak form, and she is in with a decent chance to repeat.

#8 TOPVILLE CHECKMEIN is another mare that was sent off as a bomb in her last start, and she worked out a good trip in third then rallied between horses and paced strongly to the wire but Wine Delight had momentum on here and she was shaded for the win. She looks like a good fit in here, and she is the third one in this field that I would consider using in the early Pick 5.

#1 ACEFORTYFOUR DAISY went first up last week in the race where Wine Delight and Topville Checkmein comprised the Exacta, and she couldn't fish out any cover. She was one paced late, but she hung around to take a share. Starting from the rail tonight it seems likely that she will be able to find a helmet to follow. I won't be surprised if she betters this prediction.

Race 2 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#5 SOCIAL WIZARD is 0 for 21 so far this season, but she has taken four slices, and two of those came in her last four starts, in spots where she seemed to fit well. She tried her luck in the Harvest Series on October 19th and 26th, and she was a good closing third in the preliminary leg. Unfortunately for her, she ran into the best version of Barbara May in the final, and she really had no chance in there the way the race played out. She got too far back early last week against non-winners of two, now she tries her luck in Leg 2 of this Harvest Series. She is hard to love looking at that goose egg in her win column, but this looks like a spot where she could break that winless streak, and she gets a slight nod in here.

#1 TWITTLE STICKS has had a nice sophomore campaign to this point, taking two wins and eight other shares from 12 starts while earning more than $32,000. She showed some versatility two starts back when she closed from the back and passed several rivals to get up for third. She closed best last week to get up for second behind a winner that wasn't going to be caught. She is a sharp contender in this spot.

#3 INTEL QUEEN was expected to do well here last week in the opening leg of this series, but she was used hard early which softened her up late. She lands in a spot here where – at least on paper – it appears that she won't get a lot of opposition for the lead leaving the gate. Considering that she will probably get an easier trip on the engine this time, she could prove to be difficult to catch.

#7 ABBY ROSE MEN was good three starts back, then not very good in her penultimate start. She raced much better last week when she tried going first up to chase a loose leader, and she ended up sticking around for a small slice. She will likely race from the back this time starting from the widest post, and I could see her passing enough rivals to land in the bottom of the Tri or Super.

Race 3 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#8 SECRET RESOLVE is a homebred filly that is the first foal from her dam, and she tried to qualify once last summer then again this spring, and she had no luck in either because she couldn't stay trotting. She returned here on October 30th, and she was much better that morning. After starting out fifth, she made a big second quarter move to the front and from there she left no doubt on her way to a blowout win. This looks like a good spot to take a shot with a debutante, and I'll give her top billing.

#1 MY CLASSY QUEEN brings a 0 for 30 record to the racetrack tonight, but this might be the easiest spot for her in her entire career to date, so she has a pretty good chance to break her maiden in this spot. She doesn't typically show a lot of gate speed, so she will likely be coming from the back tonight. Still, it's quite possible that she could get the job done versus this group.

#2 MATTYS HALO is one of three winners in here, and last week he came in from Flamboro Downs, and he produced a decent effort to finish third. In that mile, he sat to the stretch then he was moved widest halfway down the lane, and he was closing well at the wire, just missing getting up for second. He seems to be improving, and he is another one in with a chance here.

#6 PROUD MARIE is a $27,000 Harrisburg buy that is a full sister to a gelding that won 25 times in 54 starts and earned just under $250,000. She improved a bit in her third and final qualifier where she showed early speed and dropped close to a second off her final time. She gets the best post to work from here, and I could see her taking a small share on debut.

Race 4 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#7 IDYLLIC STRANGER moved into Jared Mann's barn for his October 1st race after changing hands and shipping north and he was immediately dropped into a $20,000 conditioned claimer at Flamboro Downs. He was hammered down to 1 to 2 favorite, and he was sent straight to the front by part owner Brady Galliers. He led all the way and jogged. He then tried non-winners of three, and he raced first-over and that class and trip combined to be too tough. He made his Mohawk Park debut 18 days later and he got plenty of attention at the windows, closing as the 2 to 1 second choice. He made a middle move to the front, and he led all the way from there while the favorite encountered some issues due to broken equipment. He faced that same rival last week, and he didn't fare as well as that one led all the way and won easily as the 4 to 5 favorite. He gets a better post now and he has a much netter chance to make front at the start of this race. I'll stick with him to rebound and take another win in this first leg of tonight's 20-cent Pick 6.

#9 LETR SINK SON was good here in the spring and he won the final of the Spring Series and in that mile, he beat a much better field than this $20,000 conditioned claiming field that he meets tonight. He only hit the board once in his next five starts before getting a rest then he was a vet scratch in September due to lameness. He didn't show anything in his next three starts, then he improved last week when he dropped down to this conditioned claiming level. He will likely get sent forward leaving the gate again tonight, and he is worth a price look for early multi-race tickets.

#8 CRUNCH WALK shows one of the best last starts where he closed for second at big odds. That night, he closed from third-over to win the race for place behind the long gone 4 to 5 favorite, and he finished several lengths ahead of the top pick in here. My concern with him is his 1 for 32 record this year and the likelihood that he will be racing from the back. I'd demand a price here.

#5 LUNAR SPORT raced first-over in the same race that Idyllic Stranger and Crunch Walk exits, and he was a bit one paced late, but he did stick around for third in a decent effort. He is another one in with a chance here in a race that is a bit of a head scratcher.

Race 5 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#9 HP NESS didn't hit the board in his first three starts, but he started to turn his form around in his fourth start where he sat a trip and closed for third. He got a key driver change to Pascal Berube in his fifth start, and he jogged while knocking more than three seconds off. He was bet down to 4 to 5 in his sixth start, and he got a good trip, but he failed to get the job done. He shipped west here for his seventh start and the first one racing out of trainer Ben Baillargeon's stable, and he did well to close for fourth considering that he had missed more than a month's action leading up to that race. He was bet down to 2 to 5 last week, and he raced well in defeat, but he perhaps waited too long to make his move, and he fell a nose short. He draws wide here, but I think he will get a more aggressive steer. He gets top billing here.

#5 LEDGENDARY WARRIOR raced well here four starts back which was the last time he faced straight maidens, then he was put in the Harvest Series. He was handy in both preliminary legs, and he showed big speed in the second leg before succumbing to final turn pressure. Last week, he sat the pocket, edged out in the lane, and finished a close third in a four across blanket finish. He draws well here, and he should be a threat right back.

#4 BLAZIN AMAZIN showed big speed from post 10 two starts back, then last week he was given a more conservative steer, and he drove up the pylons in the stretch then he landed a close fourth just behind the top two picks in this race. He can get another good following trip here and find his way into the Tri or Super.

#6 SEVERIAN is 0 for 17, but he hit the board for the first time last week and he showed some grit in deep stretch responding to Pat Hudon urging to get up for the place spot. He draws best here, and it won't surprise me if he betters this prediction.

Race 6 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#6 TURBO COMPRESSEUR is a homebred son of Muscle Mass that didn't start his career until age four, and he showed some promise in his debut at Hippodrome 3R in August. He raced against some very seasoned conditioned horses that day, and he rallied for third. Since then, he has done nothing but win, and he arrived from Quebec on a five race win streak here on October 26th. He was predictably hammered down to 1 to 9 that night, and he couldn't have won any easier. Stepping up to the non-winners of two class should be no sweat for this gelding and he will surely be a popular single in this opening leg of tonight's late Pick 5.

#3 M E LAUREL took a shot here in the $350,000 OSS Gold Superfinal two starts back, and while she didn't race terribly, she wasn't close to landing in the top four, either. She was a subsequent sick scratch, and she missed three weeks, but she found a field that she could wire, and she made no mistake. She's sharp, but she faced a much bigger challenge tonight taking on Turbo Compresseur. She and the rest of her rivals are probably racing for second here.

#8 SHERRYS FRIEND was a $7,000 Harrisburg Sale buy, and she is the second foal from her dam. Her half brother by Captain Corey is a four-time winner so far from 21 starts and he has earned more than $88,000. This two-year-old filly broke in hr first qualifier, then she was a dominant winner in the second one. She got a key driver change to Bob McClure for her debut, and after racing from the back to the stretch, she stayed inside and she made a nice late charge between rivals to get up for fourth. She was just starting to find her best stride when she hit the wire. Off that promising debut mile, she was bet down to 1 to 2 favorite for her second start, and she got a patient drive and got the job done. She has her work cut out starting from a wide post here, but she should be in the mix.

#1 D A MASSTERMIND took the trotting hopples off when he qualified on October 23rd and again for his last start here last week where he rode a following trip to a board finish. Starting from the inside post tonight, he will likely take another following trip, and he can get another small slice here.

BEST BET: TURBO COMPRESSEUR

Race 7 Selections **Horseplayer's Journal by Garnet Barnsdale**

#7 PREMIER FIRST STAR turned his form around here four starts back when he was raced aggressively and won from first-over at close to 29 to 1/ He showed that upset win was no fluke when he came right back eight days later and went right down the road, that time as the 1 to 2 favorite. He then traded wins with Shadow Of An Angel, and I don't mind that he draws widest here as he should be able to clear and play come and catch me. He gets the nod to start up the late Pick 4.

#6 UNCLE SHANK A dropped and popped as the 3 to 5 favorite last week ands his 1:49 4/5 clocking was the exact same as Premier First Star's. That night, he sat the pocket to the stretch, and he zoomed away from the field in the dash to the wire. He projects to get that exact same trip tonight, and he will probably be the one to fend off late.

#4 SHADOW OF AN ANGEL moved into trainer Dave Menary's barn prior to his first local start here on September 6th, and nothing went right in that mile where this gelding broke before the start and was refunded for failing to make it to the fair start pole. After requalifying, he won well racing at the lowest conditioned level. Then, he strung together two more wins, one more impressive than the other. His win five starts back racing first-over at tonight's class level represented a new lifetime best of 1:49 3/5. In his next start, he drew wide and he raced from the back over a sloppy track, and he really had no chance. Then in his next two starts, he traded decisions with Premier First Star. Last week he raced first up, and it didn't work out and he will likely face the exact same scenario tonight. I'll use him underneath this time.

#5 WATERLOO worked out a good trip at 55 to 1 four starts back and he slid off the pylons to follow Premier First Star midway around the final turn. He was able to work his way into second then he held on for the place spot. He finished on the edges in his next two starts, then last week he found the pocket early and he stayed there to the wire. He will likely get out sprinted by the two rivals lined up to his outside leaving the gate this time and he is one that I would use on the bottom here.

Race 8 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#8 MISS MASS APPEAL raced well in defeat four starts back where she raced first up in the back half and chased home a dominant 1 to 5 winner. She then tried company that was just too tough for her in the Harvest Series, but she bounced back nicely in her next start on October 26th. She got a great following trip to the head of the lane then she idled in early stretch while looking for room between rivals. When that room wasn't there, she was angled three wide just inside the eighth pole, and she chased down the leader to take her second win. She was good again last week in the opening leg of this Harvest Series despite getting beat as the odds-on favorite. She looks best here and she has a big shot to go right down the road.

#5 SILVER PRIDE certainly knows how to find the winner's circle as she has taken nine victories from 18 starts so far this season while finishing second on six other occasions. She missed the board only once, and that came tree starts back where she was in too tough in a mile that was trotted in 1:52. She missed a month prior to last week's mile and she raced first-over, providing final turn cover to Miss Mass Appeal. She finished only a length behind that rival, now she returns quicker and she draws better. She would be no surprise in this spot.

#1 RARE LEGACY drops out of the same race as Julies Trix, and she did finish ahead of that filly on that night. It's only two starts back where she finished second in the $100,000 Grassroots Final, and she gets back on a seven day rotation after missing a month prior to last week's mile. She could get a good trip racing closer to the front tonight, and she is the third one to consider for late multi-race tickets.

#6 JULIES TRIX makes her fourth start for The Stable since being bought in an online auction, and she faces much easier here than she did last week in her Mohawk Park debut. She was a bit rough in spots in that mile last week, but she did show some late interest trotting in traffic in deep stretch. She attracts the leading driver tonight and she will likely get positioned closer to the front leaving the gate. I could see her getting a share in this spot.

Race 9 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#7 MOONLOVER BOVINO showed up here last week coming off a front end win at Flamboro Downs where he got the job done at 1 to 9. He then got hammered down to 1 to 2 favorite facing a tougher field, and he paced out of his skin to take a 1:50-flat new lifetime mark, knocking more than a second off his old mark. If he repeats that mile tonight, his rivals will likely be racing for second.

#5 VOLCANIC made his return here last week following a summer break, and he qualified okay here on October 23rd where he paced a 55-flat back half and fired home in 26 1/5. He is a $20,000 conditioned claimer specialist, if there is such a thing. He has seven wins this season and all of them came racing at this class level. He was expected to do well last week, but the best he could do was follow Moonlover Bovino around the track while finishing a clear second. He will likely get the same following trip here, and he is the one most likely to knock off the top pick in this second start back.

#4 CATITUDE was bet down to a lukewarm 3 to 1 favorite three starts back, and he was given a clever drive from Doug McNair to get the job done. He then was too far back in his next start, but he did fire home in 27-flat. He got better positioning last week, and he followed the top two picks in here around the track and landed in the bottom of the Tri. He can get another slice here if he gets similar positioning at the start of this race.

#1 ARSON SEELSTER is having a great season so far having taken six wins and 10 slices from 22 starts while earning more than $52,000. He raced decently here at this level four starts back where he followed the eventual winner around the last turn then was a bit one paced but stuck around for third in a 1:51 2/5 mile. He followed that up with two blowout wins in London, but he is another one that could only follow in that 1:50 mile last week. He could work his way into the bottom of the Super here.

Race 10 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#5 VISTA VERDE beat non-winners of two here five starts back, then he raced decently in two straight starts to finish third after moving up to the non-winners of three level. He was even better two weeks ago when he led to the final strides only to be picked off by the pocket sitter, and he was game right to the wire. He faced that same winner – Bubble Up – last week, and he put in a solid first-over effort, but Bubble Up got a perfect pocket trip to the stretch then popped out and got the jump on this colt. He doesn't have to face Bubble Up tonight, and he meets a field that he can beat here. He gets top billing.

#9 THOR B GOOD gets a look here coming out of two miles that were trotted under 1:52 by the winners and he managed to get slices in both of those miles in decent efforts. Two starts back, he closed from last to fourth, then he tried his luck on the lead, and he laid down some big fractions then stayed for third despite finishing his mile with broken trotting hopples. Assuming he is blasting off for the front at the start again tonight, he should be able to get easier fractions, and he might prove tough to catch.

#4 SHAKEOUT HANOVER raced first off the claim last week and he drew a wide post, and he was one that I thought put in a good effort in defeat, rallying wide off cover to get up for the smallest cheque. He draws better here and he should be closer early in this mile. That gives him a better chance to finish in the money.

#3 RESOLVED ISSUES sat and closed for third at 99 to 1 last week in an improved effort, and he moves inside here. He will likely look for another following trip, and I could see him working his way into the bottom of the exotics at a square price tonight.

#2 BROADWAY STAR has hit the board in nine of 17 starts so far this year, and he will likely get a good trip racing near the front tonight. I don't see him as a win threat in here, but he should fill one of the lower rungs of the exotics.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.
Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.
The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a $20,000 claiming race carries an actual claiming price of $30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

ALLOWANCES

	CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2026 earnings
3 year olds	50%	25% on 2026 earnings 50% on 2025 earnings
4 year olds	25%	25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw $5,000 (FM $6,250) last 5 or $12,000 (FM $15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called"Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses.
Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.
All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix.

Ⓛ Denotes horses treated with Lasix today who were not so treated for their last start.

Ⓛ Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select 2 finishers in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE\MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
