

Race 1

#3 Citrina

#4 Silent Patsy

#2 Under Budget

#9 Sister Cousin

#3 CITRINA showed a bit of speed before spitting the bit in her debut against maiden special weight company on November 11. She takes a plunge right in for the bottom juvenile level and could wake up. #4 SILENT PATSY showed some finishing interest in her debut, then showed speed in a route second time out, tiring in the stretch. She drops in for \$15,000 and cuts back to one turn. #2 UNDER BUDGET ran a decent though non-threatening fourth at this level two starts ago, then took on the boys and failed to threaten on November 12. Her better efforts put her in the hunt with this field. #9 SISTER COUSIN is a new arrival by way of the southwest, most recently failing to threaten against maiden special weight company at Remington in a race that has produced two next-out winners. Blinkers are removed for her synthetic debut.

Race 2

#9 Sparkle Sammy - Best Bet

#1 Northern Ruby

#4 Valley Girl

#7 Taylormoon

#9 SPARKLE SAMMY did not take to the dirt at Fort Erie on October 17 but had previously been in good form against classy competition over their turf course. She should be tough at this level. #1 NORTHERN RUBY put in a big effort with a wide trip to be beaten a head in a blanket finish on October 13 but regressed 13 days later with another wide journey. She draws an inside post and has had a month to freshen up. #4 VALLEY GIRL made her delayed seasonal debut on November 4, finishing a non-threatening second behind the pacesetting Summer Snow. She was very good last season and could step forward in her second try off of the layoff. #7 TAYLORMOON stalked the pace and kicked clear in the final furlong to win her non-two for this price two weeks ago. She has won two of her last four and does not look out of place as she graduates to the next condition.

Race 3

#6 Lookhowpretty

#8 Mardene

#3 Forever Danish

#2 High Treason

#6 LOOKHOWPRETTY is by bonafide route sire Sligo Bay and is a full-sister to Woodbine Oaks-winner Neshama. She was a non-threatening third behind a runaway speed-winner when dropping in for this tag 13 days ago and now stretches out to a route for the first time. #8 MARDENE plunges in for \$15,000 after a flat effort in a maiden special weight sprint on October 21. She has had some close efforts at the \$40,000 level and handles the route distance without a problem; the one to beat. #3 FOREVER DANISH emptied out in the stretch after being forwardly placed when finishing fifth at this level on November 10. She had run a couple of solid efforts before that; could rebound. #2 HIGH TREASON has been consistently picking up checks without breaking through this season, most recently running on to be third, 2 ¼ lengths ahead of Forever Danish. She goes without blinkers for the first time in her career.

Race 4

#1 Sugar Is Golden

#4 Green Gables

#2 Katchy Name

#11 I'll Take the Gold

#1 SUGAR IS GOLDEN loomed up to be head-and-head with the eventual winner turning for home but was second best when racing for this price on November 5. She had an excuse two starts ago and has otherwise been in good form recently. #4 GREEN GABLES dueled on the lead while racing wide before giving way to be fifth against starter/optional \$10,000 foes on November 9. Speedy mare may be the quickest out of the gate here and could lead them a long ways if she does get loose. #2 KATCHY NAME came up empty off of a wide trip when taking on starter/optional \$15,000 company on November 11 in her first start off of a \$10,000 claim. She plunges in for \$5,000; she was a game third in a \$7,500 which was more comparable to this field three starts ago. #11 I'LL TAKE THE GOLD had been on the edges in a couple of starter/optional \$10,000 races in August before going on the sidelines. She was able to win for this price last year; her freshness could be an advantage.

Race 5

#9 Ghostly Perfection

#8 Crimson Nights

#5 Shameless Affair

#1 Work It Baby

#9 GHOSTLY PERFECTION has hooked a couple of speed favouring tracks in her three starts to date but has shown finishing interest in each of them. Blinkers are added for the first time; we'll see if she can find herself in better early position. #8 CRIMSON NIGHTS opened up in the stretch after dueling on the lead through moderate fractions, getting caught late and finishing a close third on November 9. Hit-or-miss type has had a few strong efforts this season; if she can run back to her last effort she will be a factor here. #5 SHAMELESS AFFAIR has been off-and-on in her four starts today, exiting an off effort after dueling on the lead with Crimson Nights on November 9. She was a game third when stalking the pace two starts ago; BC-bred seems like she's capable of winning and could be a decent price. #1 WORK IT BABY was entered to debut for this price on November 18 but was scratched in the starting gate and now re-appears. Outwork is a 16% debut sire; the dam was a sprinter who has thrown turf-winner Star Scholar.

Race 6

#4 Goodluckmate

#7 Leslie Chow

#3 Basketball Jones

#2 Colonel Mustard

#4 GOODLUCKMATE showed no speed and passed a couple of tired foes when facing OS/\$40,000 non-twos on November 12, and had no finish over a speed favouring track in his previous start. He looks more competitive at this level. #7 LESLIE CHOW has raced well in both of his starts since dropping in for this tag, running on to be third behind a foe who inherited the lead from a tiring run-off leader. His speed figures are solid and he is arguably the one to beat. #3 BASKETBALL JONES returned from a two-month break with the addition of a bar shoe on November 16, finishing third in a sprint for this price. He figures to be a speed factor stretching back out to a route. #2 COLONEL MUSTARD lacked much kick in the stretch when finishing fourth, 1 ¼ lengths behind Leslie Chow last time. He looks logical but has been a beaten favourite on a few occasions.

Race 7

#4 Khozzy Valintine

#6 No Whammie

#2 Miss Bobbit

#1 Quiet Maddelena

#4 KHOZZY VALINTINE was pressed through moderate fractions before kicking clear to win against \$5,000 foes on November 5, earning a lifetime best Beyer in the process. She looks to extend her win streak to three here; we'll see how she handles the shorter distance. #6 NO WHAMMIE has had a hard time getting back to the races, being a vet scratch in August then again on November 18. She plunges down from the \$25,000 level and was able to handle the five furlong distance over the inner turf in June; we'll see what we get in her return from the layoff. #2 MISS BOBBIT rallied from last to be third against starter/optional \$10,000 company on November 9. She was a good third for this price when travelling six furlongs in September; could be a factor at this level at her preferred distance. #1 QUIET MADDELENA had a wide journey and finished fourth, a head behind Miss Bobbit on November 9. She should be forwardly placed and has solid Beyers for this field.

Race 8

#13 Sweeping Passion

#5 T'pring

#11 Gunnawin

#8 Jimmy Is a Breeze

#1 Shez a Sealy

#13 SWEEPING PASSION had a good trip but was flat in the stretch when last competing on November 2. She halves in value and is one of many contenders. #5 T'PRING has finished second in half of her 10 starts this season. She has tactical speed and could break through if she wants to. #11 GUNNAWIN ran a strong second on the drop for \$15,000 on November 2 but came up empty 15 days later. She gets class relief and could be right there with one of her better efforts. #8 JIMMY IS A BREEZE has shown finishing interest in two starts since returning from a Fort Erie campaign. The Tapeta is probably her best surface. #1 SHEZ A SEALY has had two of her best efforts since dropping in for this price. She may find this field tougher with the class droppers who show up.
