

### Race 1

#### #5 Zippy Gamble

#### #6 Reload Eh

#### #1 Medusa's Gold

#### #3 Hoodless

#5 ZIPPY GAMBLE moved into contention on the turn before flattening out to be seventh when facing OS/\$40,000 company on November 9. She is the most experienced runner in this field and should appreciate the class drop. #6 RELOAD EH showed some speed and narrowly missed second when debuting for this price on November 21 and could improve with a start under her belt. #1 MEDUSA'S GOLD is by 20% juvenile debut sire Caravaggio, and is the second foal to race out of eight-time-winner Gold Lace, who's other foal was the cheap two-year-old winner Red Sneakers. She has had some gaps in her breezes coming into her debut. #3 HOODLESS was an expensive local yearling buy who took some action in her August 18 debut but failed to show anything. She returns from the layoff with a drop in for \$25,000 and lasix added.

### Race 2

#### #1 Bachelor Pad

#### #2 Walter Me Lad

#### #6 Long Pond

#### #4 Sea Scout

#1 BACHELOR PAD set a rapid tempo in a route on November 14, folding in the final ¼ mile. He looks like the main speed here and could be tough to run down with the drop in for \$10,000. #2 WALTER ME LAD was claimed for \$15,000 in October but waited the 30 day jail period to drop in for \$10,000 for the new connections, running a credible fourth behind the likes of Echo With Laughter and Lapochka. He should find this group more within reach, especially if Bachelor Pad happens not to fire. #6 LONG POND is in search of his third consecutive win, bursting clear to score a 10-1 upset at this level in his first start off of the claim. His speed figures are solid; arguably the one to beat if you are suspect of Bachelor Pad. #4 SEA SCOUT outbobbed Stylish Gent to win for \$7,500 on November 14. He seems to be at his best with an outside trip.

### Race 3

#### #6 As Catch Can

#### #2 Salt

#### #3 Lady Izzy

#### #4 Neenah

#6 AS CATCH CAN rallied strongly but came up a neck short when making her local debut in the Mazarine. She is the most proven router in this field and should be tough to beat. #2 SALT added blinkers but dropped back to last and came with a solid rally to be fourth by two lengths in the Mazarine. She makes her second start with blinkers here and looks like a logical contender. #3 LADY IZZY stalked the pace and kicked clear to break her maiden against OS/\$40,000 company around two turns on October 26. The waters get deeper here but she does not look out of place. #4 NEENAH rallied nicely to score an upset win on debut, then showed speed in the Glorious Song before faltering. She could be the pacesetter stretching out to a route for the first time.

### Race 4

#### #1 Cinnamon Bits - Best Bet

#### #6 Zoning Order

#### #3 Magic Modie

#### #4 Bravo Kate

#1 CINNAMON BITS exits a credible fourth place finish when dropping in for this price on November 14. She should have a good ground-saving trip from this post. #6 ZONING ORDER was able to hold third by a half-length from Cinnamon Bits last time. Her last two starts have been very solid; a logical option. #3 MAGIC MODIE is the potential pacesetter here. She faltered in the stretch and ended up seventh in the same race that the top two selections exit, but is capable of better and could offer some value. #4 BRAVO KATE was midpack throughout in the aforementioned November 14 race. She has shown flashes of talent before but has not been consistent.

## Race 5

### **#7 Sweet City Doll**

### **#5 Port Renfrew**

### **#3 Six for a Nine**

### **#4 Olivia's Melody**

#7 SWEET CITY DOLL pressed the pace and ran very gamely to be nosed out at the wire against \$7,500 maidens on October 31. The winner of that race came back to run a credible fifth against \$15,000 non-twos; she could be the controlling speed. #5 PORT RENFREW has been sparingly campaigned to date and will now drop in for \$10,000 for her first start in two months. She raced well on the Tapeta last year and should be competitive at this level. #3 SIX FOR A NINE was nearly able to pull off an upset when beaten a neck by the heavily favoured English Jubilee on the inner turf October 31. I think the improved effort had more to do with just general improvement as opposed to the turf. #4 OLIVIA'S MELODY got up to be third, 4 ½ lengths behind Sweet City Doll on October 31 and looks like she could earn another small share.

## Race 6

### **#6 Avoman**

### **#3 Kiddie Holiday**

### **#4 U S Army Corps**

### **#2 Anselmo**

#6 AVOMAN took two months to make the races after being claimed, making a bid on the far turn before flattening out on November 14. He drops in for \$7,500 and should fare well in this short field. #3 KIDDIE HOLIDAY dropped in for bottoms and was running on well into a hot pace to be third going seven furlongs. He gets back out to a route and does not look out of place. #4 U S ARMY CORPS could be the one to beat. He closed well to be third behind Sea Scout in a sprint on November 14 and although his recent form is dominated by sprints, he has won routing on the grass in the past. #2 ANSELMO finished midpack while attracting a \$7,500 claim from a seven furlong race on October 25. His route form is quite solid; I would give him a look if he is any sort of price.

## Race 7

### **#4 Beautiful Sky**

### **#5 McKenzie Road**

### **#1 Mia Mitole**

### **#3 Vrana (IRE)**

#4 BEAUTIFUL SKY had some trouble when beaten a length for place on the drop in for \$40,000 on November 17. She definitely appears to have a win in her and could be at the right level today. #5 MCKENZIE ROAD did not embarrass herself when finishing seventh in an inner turf maiden special weight on October 26, her first start in over three months. She ran a credible fifth in a maiden special weight over the Tapeta last year and should be at home with these. #1 MIA MITOLE made a wide bid on the far turn before flattening out to be a non-threatening fourth in the same race that Beautiful Sky exits. She could be a pace factor here. #3 VRANA (IRE) was in a photo for the fourth-place spot with Mia Mitole in her first start off of the claim. I think in the long run she will be more effective on turf.
