Race 1

#5 Indy One

#2 Oscarsson

#3 People are People

#4 Wetiko

#5 INDY ONE comes into this race off of a string of three runner-up finishes, most recently beaten by the New York-invader El Alacran. He should be forwardly placed and looks primed for another good showing. #2 OSCARSSON has shown ability at the maiden special weight level and will now plunge in for \$25,000 while making his first start since July. He is adding blinkers for his return; his speed figures are solid but he looks questionable at a likely short price. #3 PEOPLE ARE PEOPLE rallied up the inside to be third, a head behind Indy One when making his return from a two-month layoff; should be in the hunt again. #4 WETIKO had to deal with some bumping in the stretch when finishing fourth, right there with Indy One and People are People on November 24.

Race 2

#1 Onella

#7 Today

#4 Star Scholar

#6 Smart Almasty

#1 ONELLA hit the wall against OS/\$40,000 foes in her first start off of a \$25,000 claim and is now plunging in for \$5,000 while taking on the boys. The drop is an obvious red flag but she has hooked a field where she looks like she may be the controlling speed. #7 TODAY had some traffic trouble in his most recent start on November 29 but had been in respectable form prior to that. He takes the drop in for \$5,000 and looks good with this group. #4 STAR SCHOLAR gets into a more ideal spot after a route experiment and a try against very tough starter/optional claiming types in his two most recent starts. He has the talent to beat these; blinkers are coming off for the first time since July 2022. #6 SMART ALMASTY makes his first start as a gelding after finishing an okay sixth on November 8, a race in which Today finished a close second.

Race 3

#4 Foolish Games - Best Bet

#6 Classy Image

#1 Souper Sunday

#5 Retail Therapist

#4 FOOLISH GAMES was unable to make the lead when stretching out in the Eternal Search and came up empty. She takes a sharp drop in class here and has had 48

days between races; maybe we will see what she is capable of this time. #6 CLASSY IMAGE set the pace and had a clear advantage in the stretch but was picked up by a nose by My Wicked Mercury when racing at this level on November 28. She posted a number that day that would be good enough to win this; we'll see if she can run back to it. #1 SOUPER SUNDAY had been off for over two months when returning in an N1X/\$32,000 on November 23 where she dueled on the lead before fading to be fifth. She gets some class relief here and could be a speed threat from the rail. #5 RETAIL THERAPIST came up empty in an N1X/\$32,000 on November 2. Her form has been up and down this year but she is good enough to win at this level; the Tapeta is the biggest concern as she has not shown much affinity for it.

Race 4

#6 Catholic Jackie

#2 Zakhari

#1 Agile Dancer

#7 Barons Blitz

#6 CATHOLIC JACKIE rebounded from a disappointing effort on November 8 with a solid runner-up finish at this level two weeks later. A repeat of his last effort will put him in the hunt here. #2 ZAKHARI dueled on the lead but was outkicked in the stretch when finishing an okay fifth in a sprint on November 29. He gets back out to a route while shedding the blinkers; a threat to go gate-to-wire. #1 AGILE DANCER was shut off on the rail when trying to rally in the stretch last time. On his best day he is good enough to win this but it is very tough to figure out what kind of effort he will bring on any given day. #7 BARONS BLITZ plunged in for \$15,000 and was able to rally to a comfortable maiden score on November 29. He takes another drop for his first start against winners and could double up.

Race 5

#7 Dark Thoughts

#3 You're So Lucky

#1 You and Me Baby

#5 Audax Minor

#7 DARK THOUGHTS ran on to be third when cutting back to a sprint on November 29, two weeks after a very solid third-place effort routing. He gets back out to two turns and has the strongest speed figures in this field. #3 YOU'RE SO LUCKY debuted in an \$15,000 sprint on November 29 where he rallied to finish a non-threatening second. He could fare well here with a start under his belt. #1 YOU AND ME BABY came up empty as the second choice in the same race that Dark Thoughts exits but had raced well in his two previous starts; we'll see if he improves getting the added distance. #5 AUDAX MINOR rallied to be fourth, 5 ¾ lengths behind Dark

Thoughts in the November 15 route and could run on for another share here.

Race 6

#9 Buck's Fizz

#5 Jay Bird

#6 Gunnawin

#1 Jack the Cat

#9 BUCK'S FIZZ was able to win two in a row sprinting this summer but has not been in great form since. He stretches out to a route and could be a speed threat at this lower level. #5 JAY BIRD was a troubled fourth at this level two starts ago then came back to put in another good effort to be fourth in a solid starter/optional claimer. He is arguably the horse to beat returning to the conditioned \$5,000 level. #6 GUNNAWIN was in contention but finished evenly when facing \$10,000 non-three fillies on November 24. She likely won't find this group much easier but has competitive speed figures. #1 JACK THE CAT made a wide rally to finish a decent fifth at this level last time after rallying to be second in his previous start and should be closing at the end once again.

Race 7

#4 Humber River

#2 My Boy Bruce

#1 Your Valentino

#6 Tiernan

#4 HUMBER RIVER was a very impressive debut winner over another well-meant stablemate on November 24. He has speed and looks very live in this attempt to go two-for-two. #2 MY BOY BRUCE ran a respectable fifth in a solid group at this level on November 16. A good fourth in the Frost King two back, he looks like the most likely winner if Humber River were to regress. #1 YOUR VALENTINO rushed up the rail, took back on the turn and finished okay before galloping out in front when dropping in for \$25,000 on November 23. He has not run back to his debut effort but has not had a great trip in any of his starts since then. #6 TIERNAN stalked the pace, took the lead in the stretch and held gamely to score his maiden win on November 3. The only start where he missed the board was when he took a shot in the Simcoe.

Race 8

#5 Dancetotherhythm

#4 Enchanted Forest

#6 Onejabtoomany

#3 Helana

#5 DANCETOTHERHYTHM ran a strong closing third at this level two starts ago before coming up empty in the Shady Well. She returns to her condition and looks like a contender. #4 ENCHANTED FOREST was able to earn the place spot over Dancetotherhythm on November 2. She passed on the Shady Well and could be a bit more fresh than her main competitors; arguably the one to beat. #6 ONEJABTOOMANY exits an okay fifth in the same race that Enchanted Forest and Dancetotherhythm competed in. She has tailed off a bit after solid form in her first few starts. #3 HELANA was a non-factor in a tough race against the boys on November 16 but could rebound in this shorter field of easier foes.

Race 9

#3 Winston Blue

#5 Dream Jereem

#9 Mo Tourist

#4 Monday Morning

#1 Town's Warrior

#3 WINSTON BLUE put in two solid efforts sprinting for \$25,000 after being claimed but came up empty in a \$15,000 route on November 16. He gets back out to a sprint and should have pace to run at. #5 DREAM JEREEM looked very good when winning a \$15,000 non-two over this distance two-back then ran an even fifth with a wide trip in a \$25,000 race won by Dryden on November 28. He could be part of the pace here. #9 MO TOURIST rallied well to be a close third for this price on November 29. He has run more good races than bad this year and should appreciate the honest pace this race projects to have. #4 MONDAY MORNING has been empty in his last couple of starts and is now taking the drop down from the \$25,000 level. He has earlier speed figures that would put him in the hunt here. #1 TOWN'S WARRIOR rallied to be a close second in a \$15,000 non-three and may be a little overlooked for a smaller barn.
