

## Handicapper's Journal – Doug McPherson Saturday, August 16th 2025

### Race 1

#### #4 Will Win

#### #1 Timeframe

#### #9 Thundermaker

#### #8 Court

#4 WILL WIN was trying to rally in the stretch but was herded behind a foe briefly and finished a belated fourth when trying turf on July 27. He draws a better post this time and looks very live. #1 TIMEFRAME stalked the pace while racing wide and finished a non-threatening fourth, 6 ¾ lengths behind Will Win when they debuted on the Tapeta on July 6. He should have no issue with the switch to turf. #9 THUNDERMAKER shifted off of the rail on the turn and ran a stubborn third beaten just a head when debuting in the same turf race that Will Win exits. His speed will likely be an asset from the outside draw. #8 COURT raced quite greenly, lugging in down the stretch en route to a fifth place finish in his July 27 debut. His head will have to be more in the game this time.

### Race 2

#### #6 Miss Boujee

#### #1 Naughty Destiny

#### #8 Top of D Mountain

#### #3 Cloud Rider

#6 MISS BOUJEE ran by far her best race to date when trying the turf two starts ago, chasing the runaway winner Texas Holiday before being nabbed for second late. She broke poorly last time but should be in better position here and gets back to the grass. #1 NAUGHTY DESTINY was hindered with the 11 hole when sprinting on the EP Taylor on July 26, racing wide and stalling in the stretch. She takes the drop in for \$25,000 and should have no problem saving ground from the rail. #8 TOP OF D MOUNTAIN drops in for \$25,000 and tries turf for the first time here. She has been a very consistent check earner in her 10 start career, missing the top four just twice; we'll see how she handles the new surface. #3 CLOUD RIDER rallied to be seventh, a half-length better than Naughty Destiny on the EP Taylor last time; shouldn't have a problem with the extra furlong she gets to work with here.

### Race 3

#### #8 Time for Truth

#### #7 Society's Thunder

#### #1 Found My Ball

#### #9 Niagara Skyline

#8 TIME FOR TRUTH has been lightly raced, primarily campaigning in Arkansas, showing nothing in his most recent start in February. He has had time to reset, shows some rapid local works, and has breeding to handle the turf; wake-up candidate. #7 SOCIETY'S THUNDER likely should have won his most recent start on the inner turf but overreacted to the whip and ducked out several paths, likely costing himself more than the neck he was beaten. He has been in stellar form this year; should show up again. #1 FOUND MY BALL was second-best

behind the very solid Gas Me Up at 46-1 on July 20. He has the speed to be close and could land a great pocket trip from the rail. #9 NIAGARA SKYLINE dropped in for this tag on July 20 and had a troubled journey en route to a fourth-place finish. He has to overcome a wide draw but is good enough to win with the right trip.

### Race 4

#### #4 Ontario

#### #6 Miss Demanding

#### #5 Will Reign

#### #3 Lunch With Bernie

#4 ONTARIO closed out her three-year-old campaign with a good closing third at this level, ¾ lengths behind Lunch With Bernie. She was an impressive debut winner, showing that she can run fresh; an interesting player. #6 MISS DEMANDING gets back to the N2L allowance level after running a very game third, beaten just a half-length in an N1X/\$32,000 on July 26. She gets on the synthetic for the first time since her impressive maiden win on May 18; speed threat. #5 WILL REIGN is another speed factor here. After a couple of Stakes tries on turf she went gate to wire in a 5 ½ furlong maiden allowance to close out her two-year-old season; been working rapidly coming into her return. #3 LUNCH WITH BERNIE was a flat sixth in her first start of the year on May 24 and now gets back to the races nearly three months later. She had a couple of very nice efforts late in 2024; we'll see if she can rebound.

### Race 5

#### #1 Dyna - Best Bet

#### #6 Sweet Fusion

#### #3 Corsia Veloce

#### #8 Nacho Problem

#1 DYNA put in a massive effort to be beaten a nose against the boys in her debut over this course on July 27. She figures to be well-supported with Prat taking over the ride. #6 SWEET FUSION debuted on July 26 with a rallying win, splitting foes in late stretch to go on and win by two lengths. Homebred should have pace to run at and looks like a logical option. #3 CORSIA VELOCE took the lead in deep stretch and was able to hold off Will Win to break her maiden against the boys on debut on July 6. The dam has produced two turf winners in three foals to try the surface. #8 NACHO PROBLEM went gate to wire against auction-restricted maidens at Aqueduct, then ran on well to be third behind the pacesetter Gerrards Cross in the Colleen at Monmouth. She should appreciate getting back out to a bit of a longer sprint.

## Race 6

### #6 Tandhoneywithane

### #8 I Got Murphed

### #9 Miramichi

### #5 Scat Girl

#6 TANDHONEYWITHANE dueled into the stretch and gave way to be third when facing N2L allowance types in her first start off of the claim on July 26. She drops back in for the price she was taken for; tries turf for the first time and could be the pacesetter. #8 I GOT MURPHED got on turf for the first time on July 31 and ran a very game third. She makes just her fourth lifetime start here; another one who could be forwardly placed. #9 MIRAMICHI was the best horse in the race when finishing second, a neck better than I Got Murphed on July 31. She has been in terrific form this year but has a much tougher post to overcome this time. #5 SCAT GIRL dropped in for this tag and rallied to break her maiden on July 26; not out of the question to double up.

## Race 7

### #4 She Feels Pretty

### #7 Ready For Shirl

### #1 Venencia (FR)

### #5 Caitlinhergrtness

#4 SHE FEELS PRETTY just missed in a stretch battle when last racing in the Diana at Saratoga. Superstar filly shows up every time, has won impressively in her only start over this course, and should be tough to beat today. #7 READY FOR SHIRL rallied through traffic to be beaten  $\frac{3}{4}$  lengths in the Nassau, then came back to prove best in a stretch duel to win the Canadian on July 20. She has been a dramatically improved filly this year; we'll see if she can keep the momentum going. #1 VENENCIA (FR) swung wide and rallied to be third, a neck behind Ready for Shirl in the Canadian. She is drawn well here and will have no problem getting out to 10 furlongs. #5 CAITLINHERGRTNESS had a great trip when racing over this course in the Nassau, coming up flat, but got back to form when finishing a very game second in the Trillium over the Tapeta. Her turf record last year was good so I would not be too concerned with the Nassau.

## Race 8

### #4 Ice Chocolat (BRZ)

### #1 Victory Achieved

### #5 Playmea Tune

### #3 Old Chestnut

#4 ICE CHOCOLAT (BRZ) makes his return to Woodbine and his first start since a flat run in the Appleton at Gulfstream. Second in all three of his tries on the synthetic, all of those tries came in Graded Stakes; with the right setup he could power by foes in the stretch to win. #1 VICTORY ACHIEVED went through his allowance conditions last fall with three consecutively more impressive performances over the Tapeta, then faded in the stretch after setting the pace in the off-turf Sunshine Turf at Gulfstream in January. He gets back to his preferred surface; we'll see if he can wire them from the rail. #5 PLAYMEA TUNE is a neck short of being undefeated on synthetic surfaces. After winning the

Forego at Turfway in February, he returned in the Highlander on turf in June where he finished fourth; another one who benefits from the return to his preferred surface. #3 OLD CHESTNUT failed to rally in the Highlander but was able to outfinish Simcoe after setting the pace in the three-horse Jacques Cartier before that. Eight-year-old veteran is in tough but should not be fully counted out at a big price.

## Race 9 - The \$1,000,000 King's Plate

### #10 No Time

### #3 Notorious Gangster

### #4 Scorching

### #7 Runaway Again

#10 NO TIME sat midpack before rallying to win the Woodbine Oaks, settling much better than she had in the Selene in her previous start. Well drawn to work out the midpack trip she is hoping for, she looks like she has a very good chance to add to the success that fillies have had in the Plate in recent years. #3 NOTORIOUS GANGSTER had a hot pace to run at but could not run down Sedbury's Ghost when finishing second in the Plate Trial. He seems like one who will handle the 10 furlong distance without a problem and may be able to work his way into the pack as opposed to coming from last this time. #4 SCORCHING took on the leader early, led well into the stretch but could not hold on when finishing third in the Plate Trial. He should be able to tuck in and let other speed types wear each other out early this time, which is a running style that should be much more conducive to him sustaining himself over a longer distance. #7 RUNAWAY AGAIN looked like a world-beater when winning on debut by  $9\frac{1}{4}$  lengths. He appears to have the talent to be a very nice horse, but may not be quite ready to peak and win a race like this; nevertheless I expect him to show up with a good run.

## Race 10

### #5 Dresden Row

### #3 Cruden Bay

### #10 War Strategy

### #4 Wyoming Bill

#5 DRESDEN ROW fell victim to an incredibly savvy ride on Swift Delivery when coming up second-best as the favourite in the Seagram Cup. Although winless on turf he has raced well against tough foes over courses with give to them; a very nice colt who is always tough to ignore. #3 CRUDEN BAY came from the clouds to win the Connaught Cup in his first start in 11 months. I'm not sure if there is enough pace here to set things up for him again, but it was such an impressive run that it is hard to look past him fully. #10 WAR STRATEGY could be the speed here. He dueled to the wire and was outnoddod by Simcoe when last racing in an N3X/\$80,000 on the Tapeta on June 22; has a very nice turf record and could lead them a good ways. #4 WYOMING BILL finished with power to be third by  $1\frac{1}{2}$  lengths in an N2X/\$50,000 on the inner turf on July 31. This is an acid test but I think he has really taken a step forward this year and would not be surprised to see him pick up a share.

## Race 11

### #5 Jupiter

### #4 Casson

### #1 Two Out Hero

### #6 Baytown Dreamer

#5 JUPITER kicked on to win his debut easily by three lengths, then had to wait on the turn before rallying to be second behind Casson in the Victoria. He has since been gelded and could turn the tables on Casson this time. #4 CASSON made the lead in spite of a slightly slow start and looked very good when winning the Victoria. Like many of the other main players here he will have to translate to turf, but his speed is electric and he could extend his streak to three. #1 TWO OUT HERO was never threatened when drawing off to a 12 length win on debut in an off turf race on July 13. He will obviously have to handle himself against better company here but that flash of brilliance is tough to ignore. #6 BAYTOWN DREAMER is an interesting one to consider based on the facts that he is the most experienced runner in this field with four starts already, and one of just two here who is cutting back in distance, exiting a gate-to-wire score over a mile at Ellis. He may be in a bit tough here but could be there for a small share.

## Race 12

### #3 War of Destiny

### #2 Human Desire

### #4 Daddy Has Diamonds

### #9 Westminster

#3 WAR OF DESTINY was part of a ridiculous speed duel when giving way to be third two starts ago, then was bumped at the start and never factored when trying a five furlong turf dash on July 20. The drop in for \$40,000 seems warranted; we'll see if he can get back to form. #2 HUMAN DESIRE was pressed on the lead and gave way to be third when making his return to Woodbine in a route on July 13. I think the cutback to seven furlongs will suit him; he ran a huge race on debut at this distance and has gone two turns in every start since. #4 DADDY HAS DIAMONDS had a very troubled trip when finishing eighth at this level on June 21. His sprint form is very solid and he could rebound with a clean trip on the cutback. #9 WESTMINSTER is another one who will likely benefit from the cutback, coming up empty after making a bid on the far turn in a route 13 days ago. His only Tapeta sprint was a winning effort on June 8.

## Race 13

### #1 Monterey Bay

### #3 Journeyman

### #7 Tiz Romantic

### #9 British Artillery

### #10 Gilt Edge

#1 MONTEREY BAY was extremely impressive when rallying by his rivals with ease down the outside on the EP Taylor on July 6. He is hooking some very tough company for his first try against winners but I'm curious to see what the ceiling is for this son of Good Magic. #3 JOURNEYMAN was game to the wire and took advantage of the runner-up ducking out from the whip and losing momentum in deep stretch when winning an N2X/\$50,000 over this course on July 31. He takes the drop back in for \$32,000; tough to ignore. #7 TIZ ROMANTIC stalled in the final furlong after making a bid when finishing fourth, 2 ¾ lengths behind Journeyman last time. He gets back in for the tag he was taken for and should be in the hunt. #9 BRITISH ARTILLERY didn't have the best break but was overall flat when kicking off his season in a 6 ½ furlong sprint at this level on July 27. He has raced well over this course and could improve in his second start off of the bench. #10 GILT EDGE is prone to getting rank if he cannot get cover and could fall victim to his post. He ran better than it looks with a wide trip at the N2X/\$50,000 level last time; could he try going to the lead in his two-turn debut?
