

Handicapper's Journal – Doug McPherson
Friday, October 3rd, 2025

Race 1

#6 Souper Vinnie

#8 Royal Entry

#2 Knowing

#4 Switchin' to Glide

#6 SOUPER VINNIE had a wide journey when finishing a good fourth behind Knowing and Switchin' to Glide on September 18. He should be more of a factor if he can save some ground. #8 ROYAL ENTRY plunges in for \$15,000 after failing to make a dent in a couple of OS/\$40,000 races. He will also cutback to a sprint for the first time this year; the speed figures are solid for this group. #2 KNOWING chased gamely throughout when beaten a half-length at this level on September 18. He figures to be forwardly placed again as there is not much speed in this race. #4 SWITCHIN' TO GLIDE pressed the leader and was outkicked when finishing third, 1 ¼ lengths behind Knowing last time. He could be the main speed here.

Race 2

#3 Weller Green

#1 Private Label

#5 Connor

#2 Stratus

#3 WELLER GREEN finished strongly to be third behind the runaway Phillip My Wine in an N2L allowance on September 14. A maiden special weight winner two-back, he should be very life on the drop in for \$40,000. #1 PRIVATE LABEL has not missed a check in six starts to date, most recently finishing a very game second on the Tapeta on September 14. Both of his turf starts have been very strong efforts; arguably the one to beat. #5 CONNOR drops in for \$40,000 after three disappointing tries against allowance company since breaking his maiden. His speed figures have been solid and he could be much more competitive at this level. #2 STRATUS was a half-length behind Private Label when rallying to be fifth at this level back on August 24. He has waited for this race to stick to the inner turf and could be a bit more fresh than his main competition.

Race 3

#8 Tiger Town

#1 Chill the J

#2 Catholic Jackie

#3 Little Red Domi

#8 TIGER TOWN ran a very good second for \$25,000 in his first start off of the claim, then tried rating last time and failed to fire. He drops back in for \$15,000 and could be the main speed. #1 CHILL THE J prevailed down the stretch to win a \$16,000 non-two turf route at Colonial on August 28. He tries the synthetic and one turn for the first time in his career here. #2 CATHOLIC JACKIE had two nice runner-up efforts in his first two starts off of the claim but had a troubled trip when last competing on September 14, finishing a non-threatening fifth but beaten only 2 ½ lengths for place. He could rebound with a clean trip. #3 LITTLE RED DOMI continues to drop in class after failing to threaten for \$25,000 last month. He goes with blinkers for the first time here.

Race 4

#11 Graffiti Writer

#6 Monday Morning

#2 Awe Inspired

#5 Very Debonaire

#11 GRAFITTI WRITER showed improvement when finishing midpack on the drop in for \$25,000 on September 1. He takes another plunge and should be tough. #6 MONDAY MORNING has gotten back to form since dropping in for bottoms and getting back to the synthetic, running a game third in a route last time. I do think the cutback to seven furlongs benefits him. #2 AWE INSPIRED had some backside trouble but covered and rallied well to dead-heat for third on September 12, an improvement from his previous few starts. We'll see if he continues to trend in the right direction. #5 VERY DEBONAIRE finished a decent fifth despite being on the left lead when making his first start since February on September 5; a candidate to improve in his second start off of the bench.

Race 5

#3 Executive Search

#5 Winston Blue

#7 Classic Dancer

#4 Highland Society

#3 EXECUTIVE SEARCH was able to prove best in deep stretch to win at this level on September 5. He had a poor trip in the only start where he's missed the board this year; should be right there again. #5 WINSTON BLUE won two in a row at this level but came up flat when running back in 10 days and bumping up to the starter/optional \$10,000 level on September 1. He gets back down in class and should be much more live with some more time between starts. #7 CLASSIC DANCER led in deep stretch but could not hold off Executive Search on September 5, then came back two weeks later in a starter/optional \$10,000 where he was second-best behind the solid Napa Spirit. He could be the pacesetter here. #4 HIGHLAND SOCIETY was 1 ½ lengths behind Classic Dancer when finishing fourth on September 19. Up-and-down type is good enough to win this on one of his better days.

Race 6

#2 British Artillery - Best Bet

#6 War in Charge

#3 King Elvis

#5 Catch a Tiger

#2 BRITISH ARTILLERY dropped in for this tag on September 5 but had the nine hole, made a wide bid and flattened out a bit to be fifth. With the right trip he should be good enough to beat these. #6 WAR IN CHARGE was second-best in the aforementioned September 5 race. He has a solid record over this turf course and is arguably the one to beat. #3 KING ELVIS stalked the pace and launched a stretch bid but was outkicked by War in Charge when finishing third on September 5. He makes his second start off of a two and a half month break here. #5 CATCH A TIGER was able to hold on after getting loose on the lead to win his non-two for this price in his first start off of the claim; obviously has to take on tougher here but could lead them a long way.

Race 7

#2 Military Force

#10 Cut'em Loose

#9 Midnight Arkle

#7 Souper Iconic

#6 Coherence

#2 MILITARY FORCE tracked very slow fractions and faded to be sixth by two lengths when dropping in for this tag on September 6. He could be live on the cutback from a route. #10 CUT'EM LOOSE looked solid when winning his non-two for this price on September 5. He should be tactically positioned; hopefully he is not too wide from the outside draw. #9 MIDNIGHT ARKLE has been picking up checks all season, coming into this race off of a string of four consecutive third-place efforts. Consistent gelding figures to be in the hunt again. #7 SOUPER ICONIC was second-best behind Cut'em Loose last time. He races out of condition here but runs more good races than bad. #6 COHERENCE outfinished Midnight Arkle when beaten a head at this level on September 12; figures to take support off of that effort.
