Race 1

**#3 Wild Card**

**#4 Gone Hunting**

**#5 Liberty Bay**

**#7 Big Screen Boss**

#3 WILD CARD was drawing off from the rest of the field while finishing second to Humber River when returning from two and a half months off on September 28. He rallied well when trying turf in June. #4 GONE HUNTING did not seem to care for the Tapeta on September 28 but raced very well in his first two tries on turf and looks very logical here. #5 LIBERTY BAY passed a couple of tired foes when making his local debut over this course against maiden special weight company on September 21. He makes just his third lifetime start here and should fare better at this level. #7 BIG SCREEN BOSS has been privately purchased after his first poor effort on September 18 when routing for the first time. He shortens up a furlong and tries turf for the first time; hopefully he works out a trip from the outside draw.

Race 2

**#1 Tabloid Material**

**#5 Verdejo**

**#7 Silent Sky**

**#6 Spirit Bear**

#1 TABLOID MATERIAL threw in a clunker last week when falling to last and passing a couple of tired foes, ending her win streak. She comes back quickly and gets in a bit easier; should have speed to close into. #5 VERDEJO showed surprising speed when returning to the races on September 18 and kept on well to be second behind Home for a Rest, who came back to be second in an N1X/\$32,000 last week. Hard knocking mare has lots of back class and is always tough to fully ignore. #7 SILENT SKY was in contention on the turn but came up empty in an N1X/\$32,000 on September 27. She takes the drop in for \$25,000 and should be capable of better. #6 SPIRIT BEAR finished gamely when nosed out for place by Verdejo on September 18. She is frequently there for the minor shares.

Race 3

**#6 Souper Success**

**#2 Priceless Will**

**#1 Indian Peak**

**#3 Bachelor Pad**

#6 SOUPER SUCCESS made the lead and shot clear in the stretch to win against \$25,000 company on September 27 after being claimed back by these connections for \$10,000. A winner of five out of nine starts this year, he looks like he could be the main speed again here. #2 PRICELESS WILL swung wide and rallied to be third, four lengths behind Souper Success when dropping in for \$25,000 last time. If somebody decides to go with Souper Success on the front end, this gelding seems most logical to take advantage of the setup. #1 INDIAN PEAK was a game third for this price on September 7 before running and even fourth for \$32,000 three weeks later. He is capable of winning on the right day but is a difficult horse to get a read on. #6

BACHELOR PAD chased quick fractions and emptied out when facing N1X/\$32,000 foes over nine furlongs on September 13. Although he is more than capable in routes he will probably appreciate cutting back here.

Race 4

**#2 Wembley Avenue**

**#6 Reb Five**

**#5 Crosby**

**#3 Flyonbye**

#2 WENBLEY AVENUE had to check at the start and rallied to be second behind Streetshavenoname when debuting on October 5. He rises from the OS/\$40,000 level but definitely deserves a look off of that debut. #6 RED FIVE broke a bit slowly and finished fifth of six when debuting in the Algonquin on the inner turf. He should appreciate the class relief for his second attempt. #5 CROSBY is by 15% juvenile debut sire Street Boss, and the first foal to race out of the lightly raced but solid mare Hidden Wonder. He worked evenly with a stablemate from the gate on September 28. #3 FLYONBYE cuts back to a synthetic sprint after coming up empty in a turf mile on September 14. Both of his synthetic efforts have been solid; blinkers are going on.

Race 5

**#7 Fully Completely**

**#3 Fire and Wine**

**#2 Sanhedrin**

**#9 Trevally**

#7 FULLY COMPLETELY is by 2-for-12 juvenile debut sire Perfect Timber, out of a route mare who has had one winner in four foals to race. She was outworked from the gate by a pair of stablemates on September 28. #3 FIRE AND WINE led the way down the backside but had to check going into the far turn and kept on well to be third by just a length when trying a turf mile on September 28. I don't think that was a great field but he showed some grit and definitely deserves a look here. #2 SANHEDRIN was getting in but ran well to be beaten a length and a half when debuting in the same turf race that Fire and Wine exits. He could step forward in his second attempt. #9 TREVALLY showed little in two early dirt sprints at Churchill. Son of Blame should like the stretch out to a route and will add blinkers and lasix in his Woodbine debut.

Race 6

**#7 Pierre**

**#6 Mason's Gamble**

**#2 Journeyman**

**#1 Kekoa**

#7 PIERRE was bothered at the start but recovered and was second to Kekoa in an effort where I believe he was the best horse on October 2. He has hit the board in all three of his inner turf tries and should fare well here. #6 MASON'S GAMBLE rallied to be fourth beaten 1 ¼ lengths for second in an N2X/\$50,000 on September 13. He was a winner when last racing at this level on July 27. #2 JOURNEYMAN had a troubled trip in the Turf Distance series, was outclassed in the Durham Cup, but got back to form when dropping back in for this tag on October 4. Hard-knocking nine-year-old is a treat to watch, having hit the board in 41 of 66 lifetime starts. #1

KEKOA had a nice inside-out trip when winning an OS/\$40,000 non-three over this course 17 days ago. Multiple Stakes-placed gelding should be able to work out a similar trip from the rail draw.

#### Race 7

##### #1 Runnin' Rocket

##### #5 War Bomber (IRE)

##### #6 Summer Commander

##### #2 Crumlin Lad

#1 RUNNIN' ROCKET flew home to be second behind stablemate Old Chestnut who was the controlling speed when making his return to the races as a first time gelding on September 28. Stakes-placed on the Gulfstream Tapeta last year, he has the potential to develop into an excellent sprinter. #5 WAR BOMBER (IRE) makes his first start in 11 months here. Multiple Graded Stakes-winner was winless last year in a campaign chasing the likes of Patches O'Houlihan and Filo Di Arianna; if he is ready to go off of the bench he is the class of this field. #6 SUMMER COMMANDER exits a gate to wire score against N1X/\$32,000 company on September 28. He does not need the lead to win and never really runs a bad race; we'll see how he handles this acid test. #2 CRUMLIN LAD proved best in a stretch battle and attracted a claim when dropping in for \$25,000 on September 7. He was able to win at this level by DQ earlier in the season.

#### Race 8

##### #1 Sipping History - Best Bet

##### #4 Souper Diva

##### #7 Splash of Bourbon

##### #3 Morerita

#1 SIPPING HISTORY tried to take a run at Souper Diva in the Victorian Queen but was repelled and had to settle for second. If someone challenges Souper Diva on the lead this time, she could turn the tables. #4 SOUPER DIVA has earned back-to-back front end Stakes wins in the Muskoka and the Victorian Queen. If she is left alone on the lead she should be primed for a third. #7 SPLASH OF BOURBON showed speed and proved best to win her debut on September 20. Her winning Beyer puts in her line with the favourites here. #3 MORERITA is by 4-for-81 juvenile debut sire Shaman Ghost, and the first foal to race out of a maiden Into Mischief mare. She was narrowly outworked by a stablemate from the gate on October 4.

#### Race 9

##### #1 Reload Raleigh

##### #8 Streetshavenoname

##### #4 Silver Is Best

##### #7 B the King

#1 RELOAD RALEIGH broke slowly and was a non-factor when debuting in July but came back two months later with a game front end win against OS/\$40,000 foes over next-out winner Time Zapper, earning the highest last race Beyer in this field. #8 STREETSHAVENONAME rallied up a golden rail, tipped out and powered clear in the stretch to win his debut two weeks ago in a visually impressive score; we'll see if he can recreate it. #4 SILVER IS

BEST was able to rally to an easy score in the Bull Page on September 14. The 76 Beyer he earned for his maiden win is by far the highest in this field. #7 B THE KING debuted in the Bull Page where he took the lead in early stretch but looked a bit green and was outfinished by Silver Is Best. He could definitely improve with experience.

#### Race 10

##### #1 Dresden Row

##### #6 Rapid Test

##### #2 Paramount Prince

##### #7 Loose Wire

#1 DRESDEN ROW has raced well in all three of his starts this season, most recently coming up a neck short to Cool Kiss in the Durham Cup. Although winless on turf he has hit the board in all three of his turf tries; due for a win. #6 RAPID TEST made his seasonal debut at this level on September 28, finishing second behind the solid Awesome Bourbon. Stakes-winning gelding should fare well in his second start off of the bench. #2 PARAMOUNT PRINCE set the pace but gave way to be third, 4 ½ lengths behind Dresden Row in the Durham Cup. He ran a very good third at this level over this course in his first start of the 2025 campaign. #7 LOOSE WIRE kicked off his season with an allowance score at Presque Isle before coming up empty in the Durham Cup. I think he is a very nice horse and might offer some value in his turf debut.

#### Race 11

##### #6 Shadow Realm

##### #4 Dewolf

##### #5 Humber River

##### #2 Daddy Has Diamonds

##### #9 Ciunas

#6 SHADOW REALM has strung together four consecutive Beyers in the 80s, most recently running a game third in the Elgin. This is not an easy spot but he seems as good as anyone. #4 DEWOLF has earned both of his wins sprinting and gets to cutback now that the Triple Crown season is over. He raced wide on a rail-favouring track in the Prince of Wales; I fully expect a strong effort here. #5 HUMBER RIVER chased fast fractions, dueled on the turn and emptied out at this level on October 5. He cuts back in distance; his August 3 win was so impressive and he may offer a decent price here. #2 DADDY HAS DIAMONDS made a powerful rally from last to win his non-two on September 28. The 80 Beyer he earned may be a bit inflated. #9 CIUNAS was too rank early in the Breeders' Stakes and understandably came up empty. He should definitely be more settled towards the back taking the big cutback from 12 furlongs.
