

Race 1

#8 Naughty Destiny

#6 Dancin Mary Marie

#3 Sweet Valentine

#9 Noyzee Girl

#8 NAUGHTY DESTINY ran a game second on the lead two back for \$15,000 but came up empty when dropping in for this tag and pressing the pace on October 16. She wheels back in two weeks again and could go all the way if she is the controlling speed. #6 DANCIN MARY MARIE takes another drop in value after finishing an even fifth in the October 2 race in which Naughty Destiny finished second. She is tough to predict but I do think she is good enough to win on the right day. #3 SWEET VALENTINE has not been seen since a decent midpack effort when debuting for \$15,000 back in June. She comes into her return off of a few slow breezes. #9 NOYZEE GIRL was scratched at the gate a couple of weeks ago and now returns. She has been picking up checks this season and figures to earn a small share with a clean trip.

Race 2

#5 Silver Raleigh - Best Bet

#9 Motion Granted

#8 Southern Style

#4 Highly Potent

#5 SILVER RALEIGH exits a good second over nine furlongs on the main track behind the pacesetter Countryboysurvive on October 10. He has raced well on turf and should fare well with a good trip. #9 MOTION GRANTED returns from the mid-Atlantic where has been racing well, most recently finishing a decent fourth in a starter at Laurel. He has the speed to find position from the outside draw. #8 SOUTHERN STYLE has been improving as he's dropped in class through the season, most recently finishing third at this level on September 12. He will be hoping for an honest pace to close into. #4 HIGHLY POTENT was an easy winner while attracting a claim on the plunge in for \$15,000 on October 17. He has raced well in all three of his turf tries and could have some confidence off of the win.

Race 3

#5 Reveler's Row

#4 Flying Black

#3 Why Em Sea Ay

#7 Logistics

#5 REVELER'S ROW took a shot on turf on October 5 and ran a game third. The only time she has missed a check came in the Woodbine Oaks which was not a bad effort; has the speed to get good early position. #4 FLYING BLACK had a beautiful setup when winning the Midsummer Handicap on turf but now gets back to her preferred surface after a couple of midpack turf efforts, finishing two lengths behind Reveler's Row last time. I expect her to rebound on the Tapeta. #3 WHY EM SEA AY returned from three months off and rallied to an easy win in an OS/\$40,000 sprint on October 12. Although both of her wins have come sprinting she has had good route races in the past. #7 LOGISTICS forced a quick pace before flattening out when cutting back to a sprint and attracting a \$25,000 claim on September 18. She was a winner around two turns back in June.

Race 4

#4 Sailor's Passion

#5 Embrace My Uncle

#1 Three Sonny Sideup

#9 Tiz Romantic

#4 SAILOR'S PASSION ran on to be fourth for \$25,000 on October 4 and now plunges in for \$10,000. There is not a ton of pace in this race; hopefully he won't fall too far out of it early. #5 EMBRACE MY UNCLE ran a troubled second by just ¾ lengths at this level on October 5. He is another who looks very live but could but working against a slow pace scenario. #1 THREE SONNY SIDEUP set the pace but gave way late when finishing third, 1 ¾ lengths behind Embrace My Uncle last time. He has gotten a bit better with each start this year and will likely be uncontested early again. #9 TIZ ROMANTIC has been a disappointing \$32,000 claim and is now plunging in for \$10,000; we'll see if he rebounds after nearly seven weeks off.

Race 5

#5 Wico (IRE)

#6 Secret Threat

#4 Groot

#2 Imperial Gold

#5 WICO (IRE) came up empty off of a wide trip when going two turns on the inner turf in his first start off of the claim but rebounded with a game second, missing by a head when getting back in for this price on September 26; obvious contender. #6 SECRET THREAT has been knocking on the door for \$25,000 and now takes the drop in for \$15,000. His speed figures are definitely good enough to win; the one to beat. #4 GROOT rallies to win an OS/\$40,000 non-two when returning from three months off on September 1 but raced closer to the pace and emptied out on September 21; he definitely seems to prefer settling early and making one late run. #2 IMPERIAL GOLD emptied out in the stretch when trying an OS/\$40,000 route on October 5. He gets in a more reasonable spot and will hopefully be able to outspurt the blinker-shedding Tiger Town for the early lead.

Race 6

#6 Shamra

#4 Tre vess

#3 Ondine Lady

#5 Blazing Sky

#6 SHAMRA swung out and rallied to be second behind the golden rail-riding Souper Sunday on October 11. She has run more good races than bad this year and looks live at this level. #4 TREVESS had an impressive season at Fort Erie, winning two Cups and closing out the season with an easy starter optional claiming win. She showed nothing when shipping up here in July but has had plenty of success on the Gulfstream Tapeta in the last; the confidence should be high. #3 ONDINE LADY was eased up in the stretch in her first start off of a \$10,000 claim on October 4 after being in great form before that. She drops in for \$7,500 and breezed quickly on October 22. #5 BLAZING SKY has not been seen since running on to be fourth for \$10,000 on August 31. She figures to run on for a small share with some pace to run into.

Race 7

#8 Switzler Jammin

#7 Livininthefastlane

#5 Conn Smythe (GB)

#2 Switchin' to Glide

#4 Silent Knight

#8 SWITZLER JAMMIN was a decent third when making his first start since March on October 11. He has a start over the surface now and should be live in his second start off of the bench. #7 LIVININTHEFASTLANE dueled on the lead and held second from Switzler Jammin on October 11. He could be the clear speed here. #5 CONN SMYTHE (GB) was bothered by a foe's crop in the stretch when finishing third, placed second, for \$25,000 on the inner turf on October 11. He drops in for \$15,000 but does not seem as good on the Tapeta. #2 SWITCHIN' TO GLIDE was empty in his debut but has since run three good thirds against similar competition. He figures to be forwardly placed from the inside. #4 SILENT KNIGHT returns from two months off after coming up empty in an inner turf route on August 24. He hits the reset button, getting back to a main track sprint and shedding the blinkers at this reduced level.
