Handicapper's Journal – Doug McPherson Friday, November 28th, 2025

Race 1

#7 Pickford Sweet #4 English Jubilee #1 Key Stroke #2 No Visor

#7 PICKFORD SWEET rallied from last to be fourth against \$10,000 foes just five days ago. She wheels back quickly and halves in value to a level where her late run could be more effective. #4 ENGLISH JUBILEE plunges in for bottoms after a disappointing run as the favourite for \$25,000 on turf on October 17. Her two synthetic races have been nothing to write home about but she is very aggressively spotted and may simply be too good at this level. #1 KEY STROKE has not been seen since September 25 but raced well in her last couple of starts. She draws well for this return at the bottom level. #2 NO VISOR failed to fire with a wide trip when last racing on November 6. She has been primarily sprinted this year but has had some good route results in the past.

#### Race 2

#4 Maxine Magic #1 Vrana (IRE) #3 Remarkably Human #7 Totally in Charge

#4 MAXINE MAGIC exits a game runner-up finish beaten just 3/4 lengths over a heavy track at this level on November 6. She should be in good position stalking the pace and could come out on top this time. #1 VRANA (IRE) could end up being the pacesetter as she stretches out in distance and drops in class here. We'll see how far she takes them if she does get an easy lead. #3 REMARKABLY HUMAN set the pace and kept on to be a game third at this level on November 6, then was beaten only two lengths when sixth against OS/\$40,000 foes last week. She gets back to the proper level and should be competitive. #7 TOTALLY IN CHARGE ran a good second when sprinting at this level two back then got out to this distance while rising up to the \$25,000 level on October 23, running a decent fourth. Hopefully she can work out a trip here.

Race 3
#1 Waheela
#9 Sluggernaut

#3 Devil's Tongue

#10 Drogon

#1 WAHEELA has run back to back third place efforts at this distance for \$15,000 and now takes a slight drop. He should get a very nice covered up trip from the rail. #9 SLUGGERNAUT made a premature move and flattened out to be fourth, beaten two lengths for place when last racing on October 4 at the OS/\$40,000 level. He takes a massive drop in class here and has been breezing regularly; may simply be too good for them here. #3 DEVIL'S TONGUE set a quick early fraction when getting back to this distance on November 15, giving way late to finish third. We'll see how far he can take them on the lead this time. #10 DROGON outkicked Devil's Tongue for the place spot on November 15. His form is very up and down and he has a tough post to work from today.

Race 4
#8 Wilberforce
#5 Mid Day Image
#3 Valley Victory
#7 Computer Hacker

#8 WILBERFORCE has not had the best of trips in his two most recent starts, both fourth place finishes for \$7,500. He gets in for \$5,000 and looks live with these; hopefully he has a clean run this time without being too wide. #5 MID DAY IMAGE went to the lead and took advantage of a strong homestretch headwind that made it difficult for the closers to rally when beating conditioned foes at this price on October 31. Veteran campaigner figures to be a pace factor again. #3 VALLEY VICTORY had to check going into the far turn when finishing fifth, 1 1/4 lengths behind Wilberforce on November 14. Aside from a route try on October 5 his recent form has been solid. #7 COMPUTER HACKER set a comfortable pace and kicked on to win against conditioned foes for this tag on November 14; fringe player.

Race 5

#6 This Dude a Breeze #3 Sherif Ali #2 Soulmate #9 Cornwall

#6 THIS DUDE A BREEZE reverted to his off the pace tactics and was able to rally to win on October 13. He skipped the November 7 race that many of these exit and may have the advantage as a fresher set of legs. #3 SHERIF ALI has had two wins in his last three starts at this level with a second behind This Dude a Breeze in the middle. He draws well and should be finishing strongly once again. #2 SOULMATE got in for this tag on November 7 and ran a game effort on the lead, beaten a half-length by Sherif Ali. It would be no surprise to see him take them all the way this time. #9 CORNWALL drops in for \$15,000 after spending the season racing in N1X/\$32,000 and starter/optional \$40,000 events. All three of his wins have come on the Tapeta, a surface he has only been over once this year.

#### Race 6

#9 Big Baby Henry #3 Country Living #7 Dissectologist #2 Jamiesta

#9 BIG BABY HENRY had a rough trip from the 13 hole when rallying to be fifth behind Dissectologist on November 7. He rides in class but does not look out of place and should have an honest pace to close into here. #3 COUNTRY LIVING added blinkers last time, setting the pace before giving way to be third. He should fare well in his second start with the blinkers on. #7 DISSECTOLOGIST was able to win twice in a six day span, first for \$7,500 then for \$5,000. He was entered for \$7,500 last week but scratched and now returns in a spot where he is protected; his confidence should be high and he is definitely a contender. #2 JAMIESTA re-added the blinkers and never got involved when facing a tough group of optional \$15,000 foes last week. He was racing well without the blinkers and should have pace to close into here.

Race 7

#4 Gotme Good #6 Ethnic Soul #8 Can't Jump #7 Catholic Jackie

#4 GOTME GOOD was claimed for \$25,000 in October and returned for the same price on November 14, going gate to wire against non-twos. He takes the drop in for \$15,000 as he graduates to the next condition and should be tough. #6 ETHNIC SOUL was an even sixth in the same race that Gotme Good exits. Plodding type races out of condition here but was finishing well at this distance two back and does not look out of place. #8 CAN'T JUMP has been hitting the board consistently at the \$7,500 non-three/non-winners in a year level and now rises in value. His speed figures fit and he may not mind the extra distance he gets today. #7 CATHOLIC JACKIE has been running on belatedly in sprints since being claimed for \$7,500 in July. He was an easy route winner late last season.

Race 8

#6 Three Sonny Sideup - Best Bet #3 Pet Sounds #8 Nonno's Little Boy #1 Awe Inspired #9 Volcanic

#6 THREE SONNY SIDEUP had been racing well at the starter/optional \$10,000 level this fall but came up even on November 20 and now goes in for bottoms. The quick turnaround seems like a positive for a decent horse who is overdue for a win. #3 PET SOUNDS exits a good rallying second behind the pacesetting Chancel at this level on November 8. He draws well and should be finishing strongly. #8 NONNO'S LITTLE BOY was a halflength behind Pet Sounds when finishing a game third on November 8. Plodding type is at his best with more distance and will need a pace setup here. #1 AWE INSPIRED sat midpack and finished strongly to win his non-two for this tag on November 13. We'll see how he handles the move to the next condition. #9 VOLCANIC plunges in for bottoms after failing to fire for \$15,000 on November 7: he has back class and is a bit of a wild card here.
