Race 1

**#4 Trip Aces**

**#2 Padraig**

**#6 You and Me Baby**

**#1 Prince Almasty**

#4 TRIP ACES cut back to this distance and finished a game third against maiden special weight company in his first start off of a \$40,000 claim on October 26. He is aggressively spotted for \$25,000 and should be capable of beating these. #2 PADRAIG finished well to be third when sprinting at this level two back, then dropped in for \$15,000 and ran a solid second in a route on November 8. He should be very competitive with these. #6 YOU AND ME BABY returned from a four and a half month break and ran a very solid third at this level nine days ago, crushing his previous lifetime best Beyer with a 62. He could be tough in his second start off of the layoff. #1 PRINCE ALMASTY ran a close second for \$15,000 two back but came up empty when racing for this tag nine days ago; fringe player.

Race 2

**#4 Last American Exit**

**#6 Your Valentino**

**#5 Indian Peak**

**#1 Priceless Will**

#4 LAST AMERICAN EXIT rallied nicely to win at this level when last competing on November 7. Hard knocking veteran figures to be very live here as he searches for his 10th lifetime win in his 50th start. #6 YOUR VALENTINO was uncomfortable being in traffic and ran better than the running line suggests when making his first start for these connections on November 7. He draws outside which he likely prefers and could be a speed factor here. #5 INDIAN PEAK made a nice last to first rally to win at this level on October 19 and should be in the hunt, especially if he has pace to run at here. #1 PRICELESS WILL was third behind Indian Peak on October 19 then came back to be a game second behind Last American Exit on November 7. It's hard to believe he is winless so far this season; I wouldn't count him out at all.

Race 3

**#5 Valley of Kings - Best Bet**

**#1 Struck Gold**

**#2 Gelato**

**#3 Erie Shores**

#5 VALLEY OF KINGS got out to this distance on October 10, hitting the front on the far turn before being run down in the stretch. He has the best speed figures in this race and should be tough. #1 STRUCK GOLD did not run badly when finishing fourth of six in his debut over six furlongs on November 13. His pedigree suggests the added distance should not be an issue. #2 GELATO stalked the pace and kept on well to be a distant second behind the runaway Souper Caliber when getting out to this distance 16 days ago. He should be well positioned

early. #3 ERIE SHORES tries the synthetic for the first time after an even effort in the Cup and Saucer on October 5. He showed a solid turn of foot in his debut.

Race 4

**#4 Iknowyoucanwait**

**#7 Love Puddles**

**#2 Quadzilla**

**#3 Seeking Magic**

#4 IKNOWYOUCANWAIT has raced well in both of his starts to date, hitting the board both times for \$25,000. He drops in for \$15,000 and should have pace to close into here. #7 LOVE PUDDLES raced wide and failed to fire over a snowy track when facing OS/\$40,000 foes on November 9. He plunges in for the lowest available juvenile price and should be much more competitive. #2 QUADZILLA battled for the lead into the stretch but was a clear second best when facing \$25,000 foes on November 1. He will likely be a speed factor here. #3 SEEKING MAGIC set the pace but was outfinished by the class dropping Balboni's Crew when racing for this tag on November 8; she may be challenged more on the front end this time.

Race 5

**#5 Proudly Canadian**

**#4 Eubank**

**#6 Call Me Bond**

**#1 Bongino Warrior**

#5 PROUDLY CANADIAN did not have the best of starts but recovered and ran an okay fourth when debuting on October 13. He needs to take a step forward but I don't think there's anything in this field that's out of reach. #4 EUBANK has not had a bad effort to date, most recently finishing second to the class-dropping Thundermaker over a snowy surface on November 9. He looks like the one to beat. #6 CALL ME BOND ran a good second when debuting in the same race as Proudly Canadian, then came back to run a good fourth on November 1 behind Duckduckduck, who came back to win the Clarendon last week. He may improve with the stretch out to seven furlongs. #1 BONGINO WARRIOR dropped in for \$25,000 while stretching out to this distance and was nosed out on November 16. The 57 Beyer he earned for that effort looks very good here.

Race 6

**#7 Secret Load**

**#6 Ludicrous**

**#1 Society's Kat**

**#5 Happy Valentine**

#7 SECRET LOAD ran on to a midpack finish when travelling two turns on the inner turf in the Eternal Search. She had some nice efforts at this level earlier in the season and should appreciate getting back to one turn. #6 LUDICROUS forced her way out turning for home and proved best in deep stretch when breaking her maiden on September 27. She takes on multiple winners here but does not look to be in too tough. #1 SOCIETY'S KAT dropped in for \$25,000 on November 7 and ran a very game third. Win-shy type has the talent to prevail at this

level but tends to find ways to lose; minor player. #5 HAPPY VALENTINE raced wide and failed to fire while dropping in and attracting a \$15,000 claim on November 15. She wheels back quickly; her better self can win here but it's tough to say where she's at right now.

#### Race 7

##### #5 Crumlin Lad

##### #2 Pine Knoll

##### #1 Moon Landing

##### #4 Fighter in the Win

#5 CRUMLIN LAD was a bit even last time but two back was beaten just a half length at the N2X/\$50,000 level. He could be the main speed in a race where nobody truly wants to be on the front end. #2 PINE KNOLL was claimed back by these connections for \$30,000 on November 14 when running a game second behind the speedy Babbo. He has been a very consistent check earner this season and should be in the hunt. #1 MOON LANDING was never involved when finishing sixth and attracting a \$32,000 claim on July 11 and now makes his return to the races. The break was likely needed as he went all last winter in Florida; definitely capable of winning this if he is ready off of the layoff. #4 FIGHTER IN THE WIN was able to win at 10 furlongs this summer but has since had no luck in routes and will cut back to seven furlongs. He has been in against some salty competition in his two most recent starts; I would not be surprised at all to see him rebound here.

#### Race 8

##### #4 Paramount Prince

##### #3 Stanley House

##### #6 War Bomber (IRE)

##### #1 Map's a Breeze

#4 PARAMOUNT PRINCE went wickedly fast early and stopped when racing in the Autumn on November 8. He was a very comfortable winner at this level two back and could be tough to run down this time. #3 STANLEY HOUSE lacked any finishing kick in the Woodbine Mile and now returns for the first time. The Niagara winner was beaten just  $\frac{3}{4}$  lengths in his last synthetic start in the Dominion Day and looks logical here. #6 WAR BOMBER (IRE) was beaten  $\frac{3}{4}$  lengths despite being herded quite a bit and was awarded the win via disqualification when facing N2X/\$50,000 foes on November 14. Multiple Graded Stakes winner makes just his third start of the year and may be just getting back to his best self. #1 MAP'S A BREEZE rallied up the rail to win his N1X/\$32,000 and his N2X/\$50,000 in back to back efforts but dropped the rider at the start when making his stakes debut in the Autumn. He gets his ideal post in this short field.

#### Race 9

##### #1 Gilt Edge

##### #10 Proctor Phantom

##### #9 Itsastormymonday

##### #5 Journeyman

#1 GILT EDGE again went out to the middle of the track early and still managed to rally well to narrowly miss third at this level on November 14. If he can stay covered up early he should have enough finishing kick to be a serious threat here. #10 PROCTOR PHANTOM swung very wide and was gaining on the winner to be beaten just  $\frac{3}{4}$  lengths when making his first start in a year on November 2. I think he has a lot of talent; tough post but should be rolling late in the stretch. #9 ITSASTORMYMONDAY was last seen on October 5 running a very respectable fifth, beaten just  $1\frac{3}{4}$  lengths for everything in a race won by Journeyman on the inner turf. His first two wins came in Tapeta sprints; looks live to me. #5 JOURNEYMAN pressed the pace early but lacked much finish when routing on November 15. He ran a very game second at this distance two back; nine year old veteran is very hard to leave out.

#### Race 10

##### #1 Carnew

##### #3 Paynes Spirit

##### #6 Wild Card

##### #5 Maldini

##### #7 Glasweigian

#1 CARNEW took a run at the leader on the turn before being out kicked and finishing third when kicking off his season for \$25,000 on October 26. He could make the lead from the inside and should have no problem with the rise in class. #3 PAYNES SPIRIT battled between foes and ran a game third, beaten just a neck on November 14. He has only missed a check once in seven starts; logical contender. #6 WILD CARD rallied from last to be second, a head better than stablemate Paynes Spirit last time out after an impressive maiden score on October 19. He may not have a ton of speed to close into here. #5 MALDINI ran on decently to be fourth in a six furlong N2L allowance on November 2 in his first start off of a claim. He gets back in for the price he was taken for and gets out to a more optimal distance. #7 GLASWEIGIAN ran on well to be third behind the talented Sunday's Well for \$25,000 on October 13; fringe player.
