Race 1

#6 Mr. Perfect - Best Bet

#5 Lady Dayrells

#1 Named Firey

#2 Sweet Attraction

#6 MR. PERFECT was not far beaten for the show spot when finishing fifth against maiden allowance company on November 23. He takes the sharp drop in for \$25,000 and doesn't have much to beat here. #5 LADY DAYRELLS lacked much finish when facing OS/\$40,000 fillies on November 22. She is eligible to race protected at this level and does not look too bad based on speed figures in this bid against the boys. #1 NAMED FIREY gave way after showing speed in his debut then came to a stop when racing over a snowy track second time out. He cuts back in distance and gets class relief; could improve at a price. #2 SWEET ATTRACTION has not been a stretch factor in either of his starts at the OS/\$40,000 level. Blinkers go on for his first start since October 13.

Race 2

#7 Glorious Revenge

#3 Livininthefastlane

#2 Ginger's Holiday

#6 Ashuka

#7 GLORIOUS REVENGE had some decent sprint efforts earlier in the season and will now cut back after several route tries. He drops down to the bottom maiden level and figures to offer a good price. #3 LIVININTHEFASTLANE will likely be favoured here as he halves in value off of two subpar efforts. The mid-50 Beyers he threw three and four starts ago would handle this field comfortably. #2 GINGER'S HOLIDAY chased the pacesetter and lost place in deep stretch when racing at this level on November 23. He looks to be in with a shot again. #6 ASHUKA broke poorly from the outside post and finished midpack in the same race that Ginger's Holiday exits. He should fare better in this shorter field.

Race 3

#3 Another Charlie

#5 Doadster

#8 Switzler Jammin

#9 Very Debonaire

#3 ANOTHER CHARLIE chased the pace and ran a good race to be third for \$10,000 12 days ago. He halves in value and looks very formidable here. #5 DOADSTER briefly hit the front but was run down by Souper Iconic when beaten a neck at this level on October 31. Win shy type has the figures to win against this field. #8 SWITZLER JAMMIN set very moderate fractions and was able to cruise in to an easy score against \$7,500 maidens on November 7. The pace figures to be quicker in this spot. #9 VERY DEBONAIRE was running on nicely to be third at this level on November 20 and figures to pick up another minor share.

Race 4

#7 Heat Merchant

#6 Little Red Domi

#2 The New Maybe

#9 Chairman Bob

#7 HEAT MERCHANT was beaten a head by the back classy Echo With Laughter when dropping in for this tag on November 22. A repeat of this effort should be enough to beat this field. #6 LITTLE RED DOMI has had two good runner up finishes since dropping in for lower tags and adding blinkers. Versatile type showed good speed last time but finished well from midpack two back. #2 THE NEW MAYBE got in for this tag on November 14 and ran a solid third. He is capable of showing some speed and should be well positioned from the inside. #9 CHAIRMAN BOB is getting massive class relief here, dropping down from the starter/optional \$15,000 ranks. He is typically at his best routing but should be competitive here in class alone.

Race 5

#7 Paradise Perfect

#1 Highly Potent

#9 Professor Reload

#4 Lost Star

#7 PARADISE PERFECT is aggressively spotted here, dropping in for \$10,000 for his first start against winners after a \$25,000 maiden win on November 21. He has not had a bad effort all year and should be able to double up here. #1 HIGHLY POTENT tried to force the hand of the eventual winner but came up empty when racing for \$25,000 on November 14. He gets in easier here and should be well spotted from the inside. #9 PROFESSOR RELOAD has taken to the two turn distance very well with a win and two seconds in three tries, most recently finishing second to the class plunging American Decision. Hopefully he can work out a trip from a tough post. #4 LOST STAR had a wide trip and failed to factor in the same \$25,000 race that Highly Potent exits; we'll see if he improves with the easier company.

Race 6

#4 Connor

#6 Stratus

#7 Sluggernaut

#2 Yorkton's Honour

#4 CONNOR has been chasing the pace and coming up empty in recent starts against tougher company. He gets class relief and finds a field where he could be the controlling speed. #6 STRATUS has not run a bad race all season, most recently finishing fourth behind solid foes in the Lake Ontario. He drops in for \$25,000 for the first time since his maiden win. #7 SLUGGERNAUT took an edge plunging in to face \$10,000 maidens last week and crushed his competition by 6 ½ lengths. This barn has been spotting a number of horses very aggressively lately so the fact that he is rising in value can be seen as a positive. #2 YORKTON'S HONOUR is a rebound factor on the class drop after getting a wide trip over an inside favouring course on November 20.

Race 7

#2 Groot

#4 Tiger Town

#5 Cooler Man

#1 Rhaenyra

#2 GROOT came up empty after pressing between horses in a tough field of \$25,000 foes for his first start off of the claim. He gets back in for \$15,000 and could be a factor with a more comfortable trip. #4 TIGER TOWN settled very nicely and was able to rally well when a seam appeared to win his non-two for this tag on November 20. That was a very nice new dimension for this previously front end-oriented gelding and could have been a major confidence booster. #5 COOLER MAN was running on well to be third, 2 ¼ lengths behind Magic Power when last racing on November 22. The pace setup could be kind to a closer like him. #1 RHAENYRA plunges in value and takes on the boys after coming to a stop as the favourite on October 31. We'll see if she out sprints Magic Power to the early lead.

Race 8

#5 Mamba On Three

#8 Highland Society

#2 Harper City

#7 Nameofthegame

#3 Awesome Crusader

#5 MAMBA ON THREE was a very comfortable winner for \$7,500 on November 21. He has been a consistent money maker this season and should be tough here on the drop in for \$5,000. #8 HIGHLAND SOCIETY has gone off form this fall, failing to be competitive in his three most recent starts. He is a horse who has been able to rebound from poor efforts in the past; he is taken off of lasix this time which could be a benefit. #2 HARPER CITY fell back to last after early bumping but rallied well to be third behind Mamba On Three last time. He looks like a logical contender here. #7 NAMEOFTHEGAME cleared to the lead from the 14 hole and was run down late by the very in form Dissectologist when last racing on November 7. If he can get loose early he might be tough to run down. #3 AWESOME CRUSADER had a rough trip and ran on to a midpack finish in the Mamba On Three race and continues to drop in class looking to get back into form.
