Race 1

#5 Mystic Song

#7 Kavala

#3 Gizmo's B F F

#4 Genius of Love

#5 MYSTIC SONG continues to drop in value as she seeks to remain undefeated. She halves in value after winning a \$15,000 non-three on November 21 and should be right there once again. #7 KAVALA looks like the horse to beat in search of her third win in a row, narrowly getting up to win an open \$5,000 on November 27. She likely won't have as fast a pace to rally into. #3 GIZMO'S B F F was finishing well when missing place by a neck in a starter/optional \$10,000 on November 27. The pace was very hot that day; she should be closer to the lead this time. #4 GENIUS OF LOVE had a beautiful trip when winning a \$25,000 non-three three back but has been flat in her last two and now gets in for \$7,500; we'll see if the class relief improves her fortunes.

Race 2

#5 Not So Swift

#4 Em Chamas

#2 Naughty Destiny

#3 Rosieposie

#5 NOT SO SWIFT had a rough break but recovered and finished well to be third at this level on November 13. With a clean start she should be in good position tracking the speed. #4 EM CHAMAS controlled the pace and was never threatened when breaking her maiden for \$7,500 on November 6. There are speed types who could go with her here but if she gets loose again she may be tough to run down. #2 NAUGHTY DESTINY set the pace but gave way in deep stretch when third by a length at this level on November 23. She makes her first start off of a private purchase here. #3 ROSIEPOSIE ran an even fourth for \$10,000 on November 27 and now drops back in for bottoms. She can show speed but is more likely to be closing with some faster types entered here which could land her with an ideal setup.

Race 3

#7 Galley Head

#6 Logistics

#3 Voice From Above

#4 Holiday With Amy

#7 GALLEY HEAD cut back to this distance on November 15 and ran a very game second chasing Logistics to the wire. She could turn the tables on that foe today, especially if someone wears her out on the front end. #6 LOGISTICS was forwardly placed and found enough to outkick Galley Head when dropping in for this tag on November 15 and is certainly in with a good shot to repeat. #3 VOICE FROM ABOVE sat midpack and ran on well to be third, not threatening the top two in the aforementioned November 15 race. She obviously needs to step forward but is worth a look as an option to pull off

a minor upset. #4 HOLIDAY WITH AMY was finishing on decently to be fifth on November 15. She may be a bit closer early in this shorter field.

Race 4

#3 Fully Completely

#2 Digital Security

#4 Dixie Doll

#5 Fog d'Oro

#3 FULLY COMPLETELY was beaten 4 ½ lengths for place when debuting on October 19 in an OS/\$40,000 race won by Fire and Wine, who came back to win the Coronation Futurity. He drops in for \$25,000 and could step forward with experience. #2 DIGITAL SECURITY stretched out to two turns on November 15, setting very moderate fractions and getting nabbed by a head. His speed figures are solid for this field. #4 DIXIE DOLL was finishing on well to be fifth over seven furlongs on November 15. She takes on the boys for her route debut and does not look out of place. #5 FOG D'ORO was two lengths better than Fully Completely when finishing fourth on October 19 and now returns. He did have the benefit of already having five races under his belt going into that race.

Race 5

#6 Elusive Yaupon - Best Bet

#7 Fancy Pearls

#5 Mighty Tanner

#2 Whiskey Over Wine

#6 ELUSIVE YAUPON debuted in an inner turf sprint on October 18 and ran a very game closing second. She is not catching the strongest of fields here and should be tough if she likes the Tapeta. #7 FANCY PEARLS is by 14% debut sire Volatile, out of a mare who was a two year old debut winner but has not had a winning foal yet. She had a solo gate work on November 15. #5 MIGHTY TANNER ran a very game second to Katie's Grace when sprinting on September 27, then had a wide trip and came up empty when returning in a route on October 25. She could rebound on the cutback. #2 WHISKEY OVER WINE missed place by a half-length when finishing fourth for \$40,000 on October 25 and should be good enough for a minor share here.

Race 6

#6 Gone With Duwyn

#2 Chargethatmountain

#8 My Covenant

#4 Ava's Princess

#6 GONE WITH DUWYN gets back to a sprint for the first time since his maiden romp in September and gets major class relief here after a couple of Stakes tries, most recently setting the pace before fading in the Grey. He should be much more at home in this spot. #2 CHARGETHATMOUNTAIN was an easy debut winner when facing \$25,000 fillies on October 31. She has to tackle tougher this time but I would not be surprised to see her develop into a decent horse. #8 MY COVENANT was claimed for \$25,000 from a front end maiden score on October 11 and now gets to make his first start for the

new connections. There are quite a few speed types in here, we'll see if he sends from the outside to go with them. #4 AVA'S PRINCESS earned a very solid 64 Beyer when breaking her maiden for this tag on November 8 and looks like a very logical contender off of that figure.

Race 7

#3 Reveler's Row

#6 Tequilasupernova

#2 Tabei

#1 Juicy Hanna

#3 REVELER'S ROW disappointed in an N1X/\$32,000 route on October 30 when finishing a distant sixth. She gets back to a sprint for the first time since her debut win in May and should appreciate getting to face straight non-twins here. #6 TEQUILASUPERNOVA was an impressive front-end maiden winner on October 11, then came back on November 2 with a very game runner-up finish to Wozniacki. Speed threat looks like the one to beat here. #2 TABEL cut back to a sprint on November 2 and finished up nicely to be third, 1 ¼ lengths behind Tequilasupernova. She figures to be closing for another share. #1 JUICY HANNA finished up well enough to be a non-threatening fourth in the Ashbridges Bay on November 21 when making her first start off of a \$25,000 claim. The blinkers are coming back off for this cutback in distance; this spot seems like a fair one to try her in.

Race 8

#1 For Arrogate

#6 Juliet On Approach

#5 Solo Mission

#7 D'aurum

#1 FOR ARROGATE raced wide and never factored when racing over yielding turf at Delaware on September 27. She has had good efforts on both coasts and should be very live here if she likes the Tapeta; blinkers are going on. #6 JULIET ON APPROACH has had two good seconds in OS/\$40,000 sprints since arriving here. She rises in class for her route debut but does not look out of place in this field. #5 SOLO MISSION has not been seen in a year and a half, running a good fourth after a hard bump at the break in her debut in June 2024. We'll see if this daughter of Blame is ready to fire off of the bench. #7 D'AURUM has not responded to the more forward tactics they've tried with her in recent starts. Fourth in the Woodbine Oaks this year, she clearly has some level of talent but she wants to plod along and is at the mercy of her running style and the pace setup.

Race 9

#2 Tour the City

#6 Skyro

#3 Possiblemente

#5 He's Not Joking

#2 TOUR THE CITY waited for a seam then burst through to beat some solid foes in an N1X/\$32,000 on November 15. He seems to be on the improve and would not be a shock in the step up to second level allowance company. #6 SKYRO was a non-factor in the Durham Cup when making his return to Woodbine but has run two

solid fourth place efforts at this level since. Back class seven year old had a nice win against high level company on the Gulfstream Tapeta earlier in the season. #3 POSSIBLEMENTE tracked the pace setter from the outside and finished evenly to be sixth, 1 ¼ lengths behind Skyro last time. This is a shorter field and likely an easier one; he should be a more serious contender this time. #5 HE'S NOT JOKING ran a very credible fourth when making his return to the races in the Ontario Derby on October 18. He has to take on some solid older foes for his second start off of the bench.

Race 10

#5 Tosen Wish (IRE)

#6 Cool Kiss

#7 Eff Thirty Five

#9 Jokestar

#5 TOSEN WISH (IRE) was very well ridden when getting up to win an N3X/\$80,000 over 11 furlongs on the inner turf on November 2. He was second to Haunted Dreams in the Singspiel and proved he can compete at a high level on the Tapeta when nosed out by Ron's Gizmo in July. #6 COOL KISS stalked the hot pace and outkicked Dresden Row to win the Durham Cup on September 20, then fell back on the far turn and ran on decently to be sixth in the Autumn. This outfit has had good results stretching horses out in this race in recent years. #7 EFF THIRTY FIVE was a winner in a high level allowance optional claimer on the Laurel turf when last racing on October 19. He is two for two on synthetics, albeit against Pennsylvania breeds at Presque Isle, and has been training over the Fair Hill Tapeta coming into this. #9 JOKESTAR put in a huge effort when rallying from the back to be second in the Autumn, returning from a solid dirt campaign in the Midwest. His only previous try at 12 furlongs came in the Breeders' Stakes, and I think turf was more of the issue that day than the distance.

Race 11

#8 Ever Dangerous

#3 One More Brew

#5 Hemlo Gold

#9 El Cohete

#4 Palio

#8 EVER DANGEROUS moved up the inside to take control down the backside and was a very easy winner at this level on November 20. He looks tough once again. #3 ONE MORE BREW made a wide move and flattened out to be fifth in a tough group of N1X/\$32,000 foes on November 15. This field looks more reasonable and he draws a better post this time. #5 HEMLO GOLD has been racing very well since being claimed by these connections, with a \$15,000 win and a couple of good runner up finishes at this level. He had a wide trip last time and could improve with a ground saving journey. #9 EL COHETE came up empty when trying the N1X/\$32,000 level on November 15 in his first start off of his overdue OS/\$40,000 non-three win and quickly takes the drop in for \$25,000. Hopefully he can work out a trip from the outside. #4 PALIO was a distant second to Ever Dangerous last time and should be in the conversation here.
