Race 1

#5 Cupids Best Arrow

#2 Silent Strike

#6 Aint No Girly Girl

#4 Angel Danielle

#5 CUPIDS BEST ARROW battled on the lead before tiring to be a non-threatening fourth at this level on November 1. She ran a good third in her previous start and could be the controlling speed here. #2 SILENT STRIKE ran fairly well to be a non-threatening third behind a pair of solid foes at the OS/\$40,000 level on November 22. She seems to be at her best on turf but should be live at this level. #6 AINT NO GIRLY GIRL has hit the board in five of eight starts at this level, most recently finishing third on November 22. She is not without a shot here. #4 ANGEL DANIELLE broke slowly and failed to threaten when debuting in the same race that Silent Strike exits. We'll see if she improves with a start under her belt.

Race 2

#3 Katherine's Cub

#5 Big Screen Boss

#6 Lohan

#2 Awesome Beat

#3 KATHERINE'S CUB has been second best in all four of her starts so far, most recently beaten by an impressive first timer in Minimum Forty. She takes on the boys and catches a field where her main rival is another horse with a case of second-itis. #5 BIG SCREEN BOSS has been second in six of eight career starts. His speed figures are solid and he is obviously one of the main contenders here. #6 LOHAN debuted in the same November 23 race that Big Screen Boss exits, battling on the lead before faltering to finish fifth. He could improve with a start under his belt and may be fast enough to get loose on the lead. #2 AWESOME BEAT rallied from the back to finish third, 2 ½ lengths behind Big Screen Boss last time. Before that he was just ¾ lengths behind that foe on November 8; turning the tables is not out of the question.

Race 3

#2 Soupergirl

#1 Katherine's Gem

#5 Souper Sunday

#3 Looks Lucky to Me

#2 SOUPERGIRL took on \$15,000 foes in her first start off of the claim and chased the lone speed Love You Lippy throughout en route to a runner-up finish. A repeat of that effort should be good enough to win with the drop back in for \$10,000. #1 KATHERINE'S GEM looked more like her old self on November 27 when running a game race on the lead, getting picked up by a nose while attracting a \$5,000 claim. She was in very good form at the \$15,000 level early in the season and looks in line here. #5 SOUPER SUNDAY was entered for \$5,000 on

the cancelled December 4 card and reroutes to this spot. She rode a golden rail to victory at this level three back and drops back in after a couple of decent efforts for \$15,000. #3 LOOKS LUCKY TO ME made a wide move and emptied out when racing at this level on November 27. She will go off of lasix today.

Race 4

#7 Enchanted Forest

#1 Dancetotherhythm

#5 Brengungirl

#8 I Love to Win

#7 ENCHANTED FOREST exits a non-threatening third where she ran on well behind two quality foes at the OS/\$40,000 level. She drops in for \$25,000 and looks very competitive. #1 DANCETOTHERHYTHM won her non-two for this price two back then came back with a runner-up finish in a race where she had honest fractions to close into. With a decent pace setup here she should be live again. #5 BRENGUNGIRL came up empty as the favourite when trying a route in the Ashbridges Bay on November 21. She cuts back to a more ideal distance and is offered for a tag for the first time hee. #8 I LOVE TO WIN was shuffled a bit and failed to threaten when taking on N1X/\$32,000 foes on November 22, her first start in 13 months. She gets in much easier and should be better in her second start off of the bench.

Race 5

#5 Monty's Inn

#6 Rock Hard Rose

#3 Skylight Caper

#4 Cloud Rider

#5 MONTY'S INN looked very good when breaking her maiden for this tag two back then returned with a good rallying second behind the pacesetting Mobula on November 27. She should be right there once again. #6 ROCK HARD ROSE caught a manageable group and was a very easy lone speed winner, attracting a \$15,000 claim on November 29. If she is left alone on the lead again she could get brave. #3 SKYLIGHT CAPER raced wide and ran a solid third, 1 ½ lengths behind Monty's Inn on November 27. She has improved with each start this year and draws a good post today. #4 CLOUD RIDER failed to rally when last racing on November 7 in a race where the top two both came back to win their next starts. Her two previous efforts were quite good.

Race 6

#3 Regal Affair

#1 Shoot

#2 Rose Fortune

#5 Daou

#3 REGAL AFFAIR has closed very well to be third in both of her starts so far, most recently missing by just a half length. She should have a very honest pace to close into here. #1 SHOOT debuted on November 22, falling back on the turn before running back on again to be fifth. You can write that off as greenness first time out; she could be more focused with the blinkers going on. #2 ROSE FORTUNE battled on the lead and stuck on well to

be second, a neck better than Regal Affair when debuting on November 29. Blinkers are added this time. #5 DAOU made her first start off of the claim on November 22, shooting clear from the 11 hole to set the pace and holding second safely. She is unlikely to be able to get loose on the lead this time.

Race 7

#6 Faber

#5 Sherif Ali

#8 Fly the W

#2 Journeyman

#6 FABER was given a break after taking on all three legs of the Triple Crown and now returns here. He did not run badly in any of those races with some poor luck in all three, and he has shown he can handle this kind of distance. #5 SHERIF ALI has come to life this fall as one of the best horses in the starter/optional \$15,000 route category. It is not uncommon to see good starter allowance horses handle the move to first level allowance company and his late pace should make him a factor. #8 FLY THE W had a wide trip on November 15 and ran a very good third behind Tour the City, who came back to win an N2X/\$50,000 impressively last week. 22-time winner is hard to ignore; we'll see how he likes the 10 furlong distance. #2 JOURNEYMAN was finishing well up the rail when beaten 1 ½ lengths as the tepid favourite going seven furlongs on November 30. A winner in last year's Turf Endurance series, he has proven himself at distances further than this and is always worth consideration.

Race 8

#2 Xarebella - Best Bet

#5 Going Lucky

#3 Periwinkle

#6 Neenah

#2 XARABELLA took on multiple winners in an N1X/\$32,000 sprinting 5 ½ furlongs on November 22 and ran a very solid fourth beaten just a length. She faces easier company here and gets back to a distance she should be more suited to. #5 GOING LUCKY chased the very tough pacesetting Maximum Fifty and flattened out when facing N2X/\$50,000 company on November 1. She should be more at home against these and should have an easier setup. #3 PERIWINKLE exits a comfortable OS/\$40,000 non-three win in a route on November 20. She has run some decent races at this level and has speed figures that fit well with this group. #6 NEENAH has hit the board in six of eight starts this year, most recently finishing third behind the solid Promising in a route. She seems to be at her best on turf and is likely a fringe player in a Tapeta sprint.

Race 9

#8 Hurricane Claire

#5 War Painter

#3 Ella It Is

#1 My Girl Sky

#8 HURRICANE CLAIRE was a dominant N2X/\$50,000 winner back in July and has since been racing against Graded Stakes company. Speed threat gets significant class relief here; the blinkers are coming off. #5 WAR PAINTER was running on well when fourth in the Eternal Search two back but raced evenly to be midpack when coming back in an N2X/\$50,000 on November 15. She was a good third in this race last year and should be more live this time. #3 ELLA IT IS had a very nice trip and was clearly best when beating three year olds in the Ashbridges Bay. Her recent form is very good and she should have another good trip from this post. #1 MY GIRL SKY has been a bit disappointing in her two most recent starts, most recently an even sixth in the Eternal Search. Her first two starts of the campaign back in August were solid; worth a look at a price.

Race 10

#8 Home for a Rest

#6 Sinclarity

#1 Verdejo

#2 Why Em Sea Ay

#7 Give Me the Boots

#8 HOME FOR A REST was gaining well when missing by ¾ lengths to the very solid Purr Factor in the Scarlet Handicap on November 29. She has raced very well at this level; tough to ignore a horse who has hit the exactor in six of seven starts this season. #6 SINCLARITY was beaten a neck by the class-dropping Breezero two back then was outnoddod by the very in-form Foresters Exec on November 22. She is another having a fantastic season, hitting the top two in six of eight. #1 VERDEJO had traffic in early stretch and finished well to be fifth, beaten just 1 ½ lengths in the same race that Sinclarity exits. Although winless this year she is a super honest mare who should show up with another good effort here. #2 WHY EM SEA AY was second best in an OS/\$40,000 non-three on November 27, posting a very solid 81 Beyer. Although she raced poorly at this level two back I would not hold that against her as it was a route where she did not have the best of trips. #7 GIVE ME THE BOOTS dueled on the lead and came up empty in the November 22 race. She catches a field without much true speed and could maybe rebound if she gets loose early.
